Board's Economy Plan

To Cut HS Classes From Six To Five

ONTARIO -- Students in the high schools of the Chaffey Union High School District will attend only five classes a day beginning next September instead of a full schedule of six.

The decision to reduce the school day was made Monday night by the district board of trustees after a two-hour public hearing.

Sharp cutbacks in the district's operation have resulted from voter refusal in the April 15 school election to approve an increase in the general purpose tax rate from \$1.70 per \$100 of assessed valuation to a \$2.50 maximum.

Supt. Allan G. Smith estimated that the reduction in class periods will result in the use of 40 less teachers next year, with a projected saving of \$360,000.

Smith said the district had anticipated giving the teachers an 8.6 per cent increase had the override election been successful to bring district salaries to the median minimum salary of comparable districts in Southern California.

Teachers salaries in the district have been below the median minimum of comparable districts in five of the last six years.

Instead of the 8.6 per cent increase, if the district grants pay boosts of 4.6 per cent to offset the cost of living increase and effects other recommended savings, including those resulting from a five-period day, it would still have a projected defi-

cit of \$23,779, Smith said, necessitating further cuts.

The 8.6 per cent increase would produce a deficit of \$30,140, according to Smith's figures.

Both deficit figures were based on a minimum reserve of only \$100,000. A reserve of 10 per cent -- or almost \$1 million -- is recommended for a district of this size.

The projected budget, based on an allotment of \$25 per student, is \$9,993,105.

Dale McKeon, chairman of the negotiating council of Associated Chaffey Teachers, put the association on record as favoring the five-period day, even though "deploring the necessity" for such a change.

"The totally undesirable aspects of these proposed reductions do not fit with the aims and objectives of the Associated Chaffey Teachers," McKeon said in a prepared statement. "However, we find that we must concur with the administration and recommend your changing to a five-period day."

Board Chairman Paul H. Cushing said the cutback to a five-period day was "the beginning -- and probably only the beginning -- of the steps necessary" to live within the district income.

Smith said programming the students to a five-period day had begun earlier "to help identify problems" that would be brought about by the change.

Other economies under consideration by the board include expanding the two-mile radius to three miles for providing bus transportation to students; limiting athletics to two teams per sport per school for league competition only, and imposing certain restrictions on field trips.

William Reinhold of Upland, a member of the audience of approximately 400, indicated a desire to save money by reducing the number of non-teaching personnel such as superintendents and counsellors.

COMMUNICATIONS -- Police officer Raymond Hawkins, Katina Vlastos, student body president, Pioneer junior high school, David Glasa, former student body president, and police officer Rodney Bubler, get to know one another in a relaxed atmosphere where questions can be answered that help both the students and police officers understand each other.

Accuse Upland Youth Of Drug Sales At HS

UPLAND -- A 16-year-old boy has been arrested here on suspicion of selling dangerous drugs on the Upland high school campus.

Patrick Michael Flannagan of 1310A Randy st., is being held in Juvenile Hall and Detective Coy Estes of Upland police said the boy will be petitioned to Juvenile Court.

Estes said Flannagan is suspected of making or attempting 13 sales on campus. The boy was under the influence at the time he was arrested Tuesday, but no drugs were found on his person, Estes said.

Estes and Detective Merle R. Arneson went to the high school

after officials reported finding an empty drug container. Questioning of students began after it was determined the empty bottle was taken from the Prescription Shop pharmacy at 1130 San Bernardino road sometime Friday night during a burglary. About \$70 worth of narcotics were taken from a locker after access was made through a roof vent and ceiling.

Estes said 200 capsules of a hypnotic drug, tuinal, were taken, along with 300 pep pills, 900 capsules of numbutal and 400 capsules of seconal, both depressants and barbiturates.

A number of birth control pills were also taken.

Cable Denied CUP

Dewey Cable, who applied for a zone change in the Benson avenue and 15th street area, was denied a conditional use permit, to establish a prefabrication home assembly plant in a research and development area, by the Planning Commission at its meeting Thursday night.

Cable has tried for years to establish either a golf course or industry in the area of Benson and 15th street. His actions

have resulted in a controversy and the establishment of a "green belt" area which provides a buffer zone between the airport and the residential area.

In issuing the denial, the commissioners said Cable's plant was not compatible with the research and development zoning in that area since the plant would manufacture large units for assembly and storage.

Chamber Plans CleanUp

It's time to Clean Up, Paint Up and Fix Up, according to the Upland Beautification Committee who is sponsoring a May Clean Up Campaign in Upland.

Rosalie Kamansky, chairman of the committee, announced that many events have been planned including getting that extra trash out for pickup.

Mayor George Gibson has signed a proclamation declaring May in Upland as Beautification Month. He has been named honorary chairman, also.

Colorful banners and posters

will remind the residents to help make Upland beautiful. A poster contest for third graders is being conducted as part of the program. The Kiwanis club of Upland is holding a rummage sale to help pick up those "white elephants" hanging around. Call 982-6681 for pickup.

On Saturday, May 17, the Ontario-Upland Jaycees will pick up old refrigerators as part of their contribution to the campaign. Other groups such as youth, service clubs and garden clubs will join the chamber in this effort, said Mrs. Kamansky.

Getting To Know You New Police Approach

By Jenny Kirkpatrick

Once a policeman walked his neighborhood beat and the residents knew him as a person on a personal basis.

Then, police departments became mechanized and the "beat" policeman became mobile.

Residents no longer knew him as a person, but only as a white capped blue uniformed dispenser of law who rode in a black and white car.

It was natural they would feel some alienation. A police car is not the easiest vehicle to approach even if you need a policeman. And many residents need a policeman today in this complex world. Here then is a paradox -- the need for a policeman one feels he can approach and the reluctance to approach the police.

NEW IDEA

The Upland Police Department has come up with an idea that may help solve the paradox and get that personal feeling back into the neighborhoods.

It is called Community and Police Communication and touches many sectors in the city. The policemen take the time to go to the schools and talk to students in the classrooms under relaxed conditions. Many youngsters have had the experience of meeting a policeman -- under stressful conditions.

First the officer tells about his family and education and a little bit about his work. Then he answers all of the questions the youngsters want to know.

Usually the customary questions are: Do you ever shoot anyone? What will you do if I get lost? Have you ever been in a riot?

After the officer has answered the questions to which the youngsters want answers, he turns to helping them with matters of safety. For instance: he reviews the safety precautions in crossing streets, avoidance of empty lots; conversation with strangers. He also reviews with the children their names, addresses and phone numbers.

CLASSROOM VISIT
After the classroom visit, the officer has lunch with the stu-

dents and an opportunity to ask informal questions is given.

The program is run on a school year basis, so that each grade level has an opportunity to see and talk with a policeman. After the visit, the class writes compositions and draws pictures of the event. This again gives the students the opportunity to have questions answered.

This program was so successful that Sgt. Bill Smith has been appointed to try a new idea. It is a series of coffee times in the neighborhoods.

The officer who has that particular neighborhood discusses with the people problems they may be facing such as what to do when they are away on a trip or how to stop burglaries.

COFFEE TIME

The coffee time approach affords an opportunity to ask questions, get answers and know the policeman of the "beat," so when a policeman is needed, he is not a stranger.

The first hostess at one of the coffee hours was Mrs. Walter Saccani, 1291 Vallejo Way. About 12 women attended as well as the officer on the beat, Gene Hawkins and Sgt. Bill Smith.

The big item of discussion was dope in general and marijuana in particular.

Sgt. Smith told the women that in 1968, 116 arrests were made involving narcotics and this figure did not include glue sniffing.

YOUTH "FASCINATION" BY DOPE

He said the young people are "fascinated" by dope and the idea of sniffing, smoking or taking anything that might give them a response.

This feeling is so powerful that a year ago a rumor was started that smoking banana peels would give kids a "kick." He said many kids obtained skins and tried them, the kids were so convinced they were "high" that the officers had to talk them out of it. They had no reaction except in their minds.

This shows how much a magnet dope, or the thought of dope, holds for young people today.

Sgt. Smith said in the breakdown of figures that out of the 116 arrests, 59 were for marijuana, 38 for dangerous drugs, 14 for heroin and five for LSD.

The age group was from 12 to 46 and the 46 year age was the only one over 30. The majority fell in the 16 to 21 group. They were from all income strata, races and sex, Sgt. Smith said.

IT CAN HAPPEN ANYWHERE

"It can happen here, it can happen anywhere, it can happen in my home or yours," he concluded.

The police department feels that many questions can be answered on the neighborhood basis and that recognition of the dope problem can be disseminated by these coffee times, but most important is the meeting of the "beat" officer and getting to know him.

Residents who would like to participate in the program are welcome to make arrangements for a coffee time through the police department by calling 982-1331.

Rick Musser Named Circulation Manager

Richard (Rick) Musser, 26, of Upland has been appointed Circulation Manager of the Bonita Publishing Co., it was announced this week by Bob G. Bush, general manager.

Bonita publishes three papers in San Bernardino county, the Cucamonga Times, the Upland News and the Montclair Tribune; and three in Los Angeles county, the San Dimas Press, the La Verne Leader and the Diamond Bar-Walnut Valley Bulletin. The six weekly newspapers belong to the Donrey Media Group and have a total circulation of over 40,000. Production offices are at 4674 Brooks street, Montclair.

Musser, a native of Upland, held a delivery route with the Ontario Daily Report at the age of 12 and continued throughout

his high school days. He graduated from Chaffey high in Ontario and attended Chaffey college.

He began employment with the Ontario Daily Report in 1960 in the mail room and in the circulation department until his acceptance of his new post with Bonita.

Musser, his wife Lynn, and daughters, Kimberley Lynne 3 and Lori Kay, nine months, make their home at 1444 Randy st., Upland.

The new circulation manager succeeds Don Carlson who resigned recently.

Richard Musser, Circulation Manager

PAINT UP -- Mayor George Gibson, honorary chairman, and Rosalie Kamansky, chairman of the Chamber of Commerce's May beautification committee, encourage citizens to Clean-Up, Paint-Up and Fix-Up during May.

Diversion Dike Work Started

UPLAND - Work has started on the rebuilding of the main diversion dike at the mouth of the Cucamonga Channel and other dikes in the city damaged extensively by the January and February storms.

The giving away of the diversion dike was responsible for evacuations in the city during the two storms.

A \$40,000 project to line the West Cucamonga channel with concrete where it bends near San Antonio Community Hospital and Upland Convalescent Hospital, probably will begin this summer.

Meantime, the dikes are being strengthened and packed by the Corps of Engineers.

Commentary

A Violation?

In California, public entities who spend the taxpayer's money are subject to the Brown Act, which states a council or board may not exclude the press from any of their meetings. They may, however, go into executive session to discuss privately two matters, personnel and items involving real estate purchases. The proceedings of these executive sessions are not revealed to the press. We do not quarrel with groups doing this, but we do question the fact that many times this so-called exemption has been "used" to discuss other matters about which the public does have a right to know.

If personnel or real estate issues are discussed, usually the press is so informed and often a statement relevant to the discussion is given. We then must be content and accept the word of the council or board.

The Brown Act protects the citizen from having these bodies meet secretly and taking action which should be made public for the press.

The other night the Upland City Council called an "executive session" to discuss, so they said, "personnel" matters, and the press was duly excluded. After the session, a statement on good communications was issued by the council. This, in our estimation, is not compatible with "personnel" matters and while we generally feel the council abides by the Brown Act, we do hope they will in the future remember an executive session is for personnel or real estate matters and not to air current controversies.

If those conditions do exist -- the spirit of the Act is being violated and it should be called to public attention.

The Readers Write

Dear Editor:

The statement of Supt. Allen G. Smith and the Board of the Chaffey Union High School District Board of Trustees that the cutbacks "should be taken in the interest of living within the district budget, rather than being recriminative toward the voters" is noble to say the least.

After all, it's rather foolhardy to bite the hand that feeds you.

Not once was the word "economize" used prior to the balloting on the increase for the over-ride from \$1.70 to \$2.50 by those advocating its passage.

For the past several years, the voters have given a "blank check" to schools whenever it was asked for building or over-rides. Apparently the blank check days are gone forever.

Most of the suggested possibilities for reducing expenditures would be put into effect immediately without harming the quality of education.

Athletics after school wouldn't be a particular burden on anyone, nor would it be detrimental to having supervisors and administrators doing some class room teaching. California is overburdened with administrators in school systems.

If a few more youngsters have to walk to school, it would fit into our national fitness program and probably reduce the number of physical education classes.

For the most part, the athletic program is financed by student activity money and adding the school's subsidy to that should cause no great burden.

Nor would it be detrimental to eliminate many of the allowances for conferences and travel. As a former teacher, I realize that most of these junkets are a waste of money.

If these proposals had been seriously studied before submitting the tax override question to the public--maybe the Board would have realized that an 80 cent increase wasn't necessary.

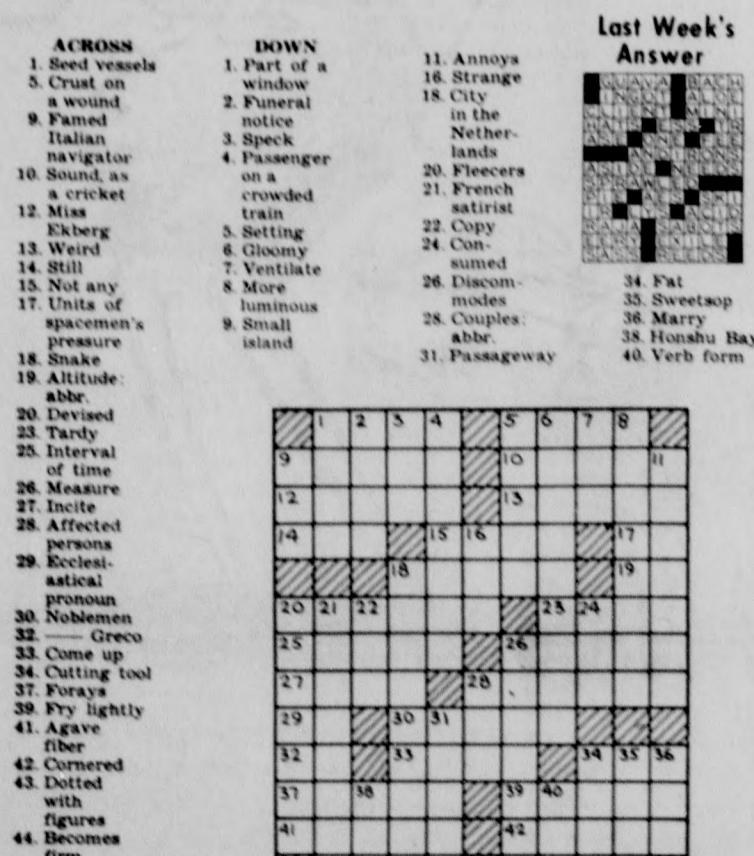

And why during the coming year is it necessary to make such drastic reductions when it wasn't the cause during the past fiscal year with the same tax rate?

I have faith in the American people to maintain the public schools and when it is time that schools are in serious danger the people will support them.

In conclusion there is a feeling that the taxpayer isn't quite getting his money's worth--and that issuance of blank checks to school administrations doesn't upgrade education.

Very truly yours,
Roland Boyd

Crossword

Even In California!

What's Doing In Upland?

By Jenny Kirkpatrick

THE SIREN'S ON

Have you heard the siren? It's back on and a welcome sound at noon. Now we know when we're hungry. Hats Off to the city council for having it restored.

A GET WELL WISH

We wish a speedy recovery to Harriett Williams, who manages the kitchen at the Woman's Clubhouse. She is a fine person and a great cook. Who can forget some of her gourmet dishes? Her crew is carrying on and doing a good job, but we all look forward to her return to the kitchen.

FRIENDLY VOTE

If you have had reason to call the Chamber of Commerce office recently, you hear a cheery voice. The girl behind the telephone is Frances Bowman, and we'd like to say Hats Off to her as she makes one feel so welcome both on the phone and in the office. She does a lot of work that is not seen and not heard. Keep up the good work Frances, this world needs more cheery voices.

DAYLIGHT SAVINGS

It is always unsettling to see one hour get lost even if it is for a good cause, daylight savings. Every spring when the hour goes, so goes my sleep, never to return until fall. However, it is nice for the summer, so guess, zst, I'll enjoy it until, zst, fall zst.

Scene And Herd' In The West End

by Bill Mason

PRESUMPTIOUS

Would we be called "presumptuous" if we headlined the difference of opinion of the businessmen and city council thusly, "SIGNS OF THE TIMES?"

JOIN THE PRIVILEGED

The Supreme Court ruling removing the residency qualifications for welfare recipients now completes the picture.

Those receiving help can winter in California or Florida; spend their summers in the cooler climates; need not be concerned about income taxes; medical attention is provided gratis. All they need now is a transportation subsidy to provide for their vacation treks.

And you and I are working!

DANGER CORNER

One of the most dangerous traffic intersections in the West End is the one at Moreno and Benson. The west half lies in Upland, the eastern part in Montclair and the intersection is the battle ground.

Probably no one municipality has done so much in street improvements as Montclair has in the past year with the widening of Central and the improvements and signals in and around the Plaza area.

But this has opened up Moreno as a miniature speedway.

To add to the complications, about 30 to 40 cars are now parked along Moreno where a new motor home factory is in operation.

And for some reason you see fewer patrol cars there than anywhere else.

POTPOURRI

This is a dangerous time for dad--if he stands up he's liable to be put to work moving furniture; if he sits down he's in danger of being slipcovered. . . President Nixon says "he will stick to a foreign policy that is 'firm yet flexible'" (our friend Webster says "firm means unyielding and steadfast while 'flexible' means yielding and pliant"). . . Despite the verdict of the jury, do you believe Sirhan will be executed? . . Just about the time you are convinced that industry is taking over our area, the sheep begin grazing along Archibald and the pastoral serenity returns. . . And if that doesn't convince you try a drive along the dairylands surrounding Chino. . . Not that this bit of news will brighten the White House social science, but the third graders in a San Dimas elementary school have named their pet chicken "Pat Nixon".

THIS WEEK'S ORCHIDS

To the party or group responsible for the art exhibit at the Upland Downtown Center (it was great and attracted a lot of attention). . . To Continental Airlines for announcing its daily flight service from OIA (we're in the big time now). . . To the Upland Police Department for its program to educate the young ones that police officers are their friends (too much of the other side has prevailed in the past).

SOME COMFORT

This conceivably could be of some comfort to our President in these times of trying to persuade a Democratic congress to see things his way and his Middle East and Korean-Vietnam woes.

The children at the Ekstrand School have given their pet chicken the name of "Pat Nixon."

The First Lady wasn't immediately available for comment.

Taxpayers' Association Says

Property Tax Relief --- A Local Problem

Mr. California Taxpayer is as confused these days as a laboratory mouse trying to work its way out of a maze.

Legislators and administration officials have bandished before his eyes all sorts of complicated plans which promise him relief when he wears his property taxpaying hat but which sock it to him as an income tax.

At the same time, plans are afoot for a one-time refund of a portion of income tax payments he has already made. Also, if he's a homeowner, he's entitled to a \$70 refund on last year's property taxes. He hasn't got it yet, although he's been required to submit two separate forms asking for it.

Underlying all these frantic schemes for tax "reform" is the problem of a proper formula for the financing of the public school system. Just about everyone is agreed that the schools are too greatly dependent on local property taxes and too little on taxes collected by the state.

A breath of fresh air has been injected into the situation by the 25-member Statewide Policy Committee on Public School Finance, which includes representatives from such prestigious educational groups as the California State Board of Education, the California Congress of Parents and Teachers, and the California Teachers Association.

In an Open Letter to California's Local Property Taxpayers, the Policy Committee declares:

"The most effective property tax relief the Legislature could adopt would be to increase state financial support of local schools."

The Committee's letter points out:

"Fourteen years ago you (the local property taxpayer) were a partner with the State of California in paying for the cost of public education. You paid 49.1 percent while the state paid 47.5 percent. The small remainder was federal and other funds."

"Today, unfortunately, your partner in education has, in effect, let you down. In 1967-68, for example, you paid 55.5 percent of the cost, an increase of 6.4 percent. That year, the state paid only 36.5 percent, a decrease of 11 percent."

ADMIRING NEW FLAGS -- Looking over the newly donated California and United States flags presented in ceremonies at the library are (from left) Elwin Alder, city manager, Mrs. Ed Novell, library

board, Mrs. Eva Sachs, Native Daughters, and Mrs. Phillip Clancy, state hospitality chairman and past state flag chairman, Daughters of American Revolution.

Organizations Present Flags To The Library

In an impressive ceremony held last week at the new Upland library, the Daughter of American Revolution and Native Daughters of the Golden West presented two flags for the use of the library.

The California flag has flown over the state capitol in Sacramento and the United States flag has flown over the national capitol, Washington D.C.

Presiding at the ceremonies was Mrs. E.J. Dahlstrom, regent DAR, San Antonio Chapter.

Besides Mrs. Dahlstrom, attending from the DAR were, Mrs. Maurice Bonillas, first vice regent, Mrs. Mendall Gottfried, past regent, and 12 members of the DAR.

From the Native Daughters of The Golden West were, Mrs. John Dodge, president, Mrs. Henry Lucas, trustee and Mrs. Loren Robinson, the first vice president and past president.

Attending from the city were, Elwin Alder, city

Mrs. Musser Heads Cuca. Jr. Hi PTA

Installation of officers of the Cucamonga Jr. High PTA was held Thursday April 10 at the school. Installed as president

is Mrs. Richard Musser. Mrs. Musser has been a resident of Cucamonga for eight years. Prior to that she lived in the Upland area for many years. She is a graduate of Upland College. Mrs. Musser has been very active in the Valle Vista PTA taking many chairmanships. She has been a room mother every year since her children entered school. Her children are Roberta, who will be entering Cucamonga Junior High in the fall as a sixth grader, and Diana who will be in the third grade next year at Valle Vista.

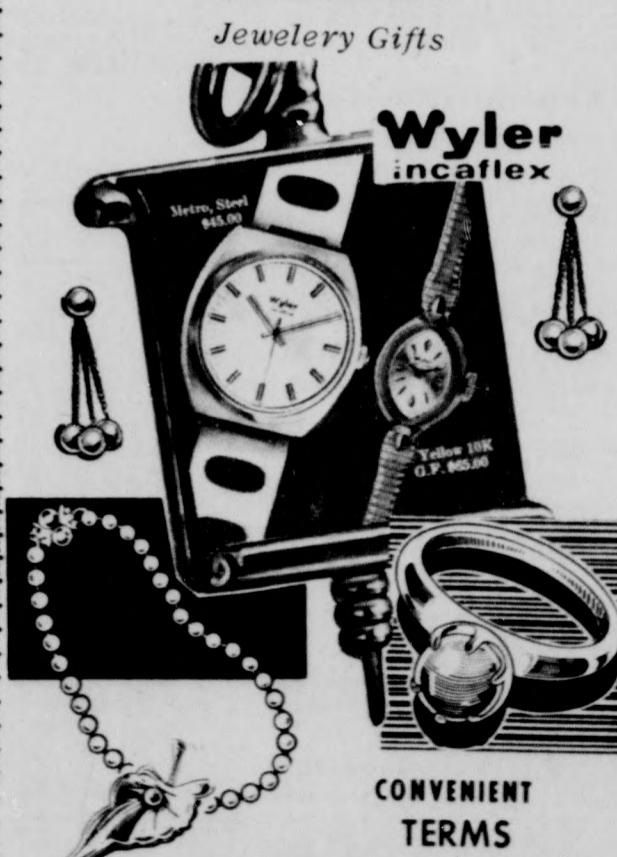

In addition to her PTA activities, Mrs. Musser has been very active in Girl Scouts. She has participated in many of the field trips and projects. She also assists Sunday School classes at her church. Her husband is employed at Shady Grove Dairy.

The other new officers who will serve the Cucamonga Junior High PTA are Mrs. Joseph Aleman, vice president; Mrs. John Ripple, secretary; Mrs. Robert Ricky, treasurer; Mrs. Warren Henderson, historian and John Tate, auditor.

Directors To Meet

The California district director and the local field director for Boy's Club of America will be on hand when the directors of the Cucamonga branch meet at 11 a.m., May 7 to discuss progress on obtaining a charter. According to H. Danny Holland, president of the new board, the directors are forming a chapter to be located in the Contact Station of the Dependency Preventor Commission, 10155 24th street, Cucamonga. It will be open to boys from 7 to 19 throughout the Cucamonga area, which includes Alta Loma, Cucamonga, Etiwanda and Guasti. The May 7 meeting will be held at the Contact Station.

Keep It Beautiful

If America hired people for the job, it would take the largest sort of army to keep our country free of litter.

But there's no need to hire anyone. It's a job we can do for ourselves. All of us. Every family that spreads a picnic lunch. Every boatman who cruises the lakes and waterways. Every motorist who uses our roads and highways.

It is the pleasure of the U.S. Brewers Association each year to give its fullest support to the Keep America Beautiful Campaign. Remember: Every Litter Bit Hurts.

This is our land. Let's treat it right.

UNITED STATES BREWERS ASSOCIATION, INC.
535 Fifth Avenue, New York, New York

Chest X-Ray Announced

Spring time is baseball time. Play it safe like all great athletes do, get a Chest X-Ray and protect your health. This is the advice of the Tuberculosis and Health Association.

The Mobile Chest X-Ray Unit of the Tuberculosis and Health Association of San Bernardino, Inyo, and Mono Counties will be in Cucamonga and surrounding communities during May.

The dates, time and locations for the unit are: May 22, Cucamonga, at Mayfair Market, 10 a.m. to 1 p.m. and 2 p.m. to 5 p.m., and May 26, Alta Loma, Fire Hall, 11 a.m. to 1 p.m.; May 26, Etiwanda, at the Etiwanda school, 2 p.m. to 4 p.m., and May 27, in Cucamonga at 24th and Turner, 10 a.m. to 12 noon.

Every person over the age of 18 is urged to take this opportunity to get a chest x-ray at this time. There is no charge for this x-ray because this is a service provided by the annual Christmas Seal Campaign.

IT'S NEW -- Inspecting the newly dedicated fountain at Valley Vista school in Cucamonga, presented by the PTA in commemoration of the school's 10th year are, from left, Mrs. William Dingle, Mrs. Dorothy M. Hickcox, principal of the school since its inception, and Mrs. Wally Owens. The fountain was dedicated during the school's carnival Saturday.

New ARRIVALS

Mr. and Mrs. Robert Harris, 331 Amber crt., are the parents of a baby girl named Sue Angela, she was born March 30, at San Antonio Community Hospital.

Mr. and Mrs. Frederick Thompson, 8535 Ramona ave., Cucamonga, are the parents of a baby boy named Frederick Eugene, III, he was born March 27, at San Antonio Community Hospital.

Eugene, III, he was born March 27, at San Antonio Community Hospital.

Mrs. Richard Musser

3rd ANNIVERSARY

Our Anniversary and Mother's Day is a perfect opportunity for you to come in and enjoy the luxury of a personalized "hair-do". We guarantee to beautify you. You--the most important attraction to your family and friends.

An appointment may be convenient, however, we have 14 expert beauticians to serve you.

GIFT TO THE LIBRARY -- Mrs. Sherman Anderson, left, stands with Mrs. Coryne Hanzlik, circulation librarian at Upland Library, as they display a book of bound sheet music that dates as far back as 1848. The book has been handed down through Mrs. Anderson's family several generations. Her great-great-grandmother had the music bound for the two daughters, Matilda and Rosalie French, from which to practice. Mrs. Anderson recently donated the book to the library for display purposes.

Mrs. S Anderson Donates Music Book

Pedro A. Daumas published "La Hermandad, A Set of Favorite Spanish Waltzes" in 1854 and dedicated it to the Visitation Convent in Georgetown, D.C.

This selection, delicately illustrated, is the first of a number of music pieces contained in bound form and more than a century old.

Currently on display at Upland Library, the book of music was recently donated through the San Antonio Chapter of the Daughters of the American Revolution (DAR) by Mrs. Sherman Anderson of 1354 N. Grove ave., Upland.

Mrs. Anderson's great-great-grandmother had the selections of piano music placed in book form for her daughters, Matilda and Rosalie French. Rosalie had no children, so the book passed through Matilda's family, Mrs. Anderson explained.

The second selection in the book is "Reverie," published in 1848 by Maurice Strakosch and dedicated to Her Imperial Highness "Olga" -- Grand Duchess of Russia and Crown Princess of Wurttemberg.

Other selections include "Nocturne pour piano" by Theodore Dohler, dedicated to Madame La Princesse de Belgiojoso.

Registration Scheduled

Registration for the Anton Martin Slomsek Parochial School will be held May 2 from 2:30 to 4 p.m. and May 3 from 9 a.m. to 10 a.m. at the school.

The registration is for new school pupils only, grades kindergarten to eighth. Parents are requested to bring baptism certificates.

Children enrolling for kindergarten must be 5 years old by Dec. 1, 1969.

Upland HS Band Will Appear In Review

The Upland High School Band will perform in the National Band Day Review on May 3. They will be trying for a sweepstakes trophy and the piece they will play is "Army of The Nile."

The 120 piece band including banner carriers and flagsters has had a busy year of marching. They played for all football games and appeared in the Christmas parade in Arcadia where they captured fourth place. They marched in an all western band review in Long Beach, and were first runner ups in the Chaffey Tournament for Bands.

Los Amigos

Students of Los Amigos Junior High School have chosen four young people to represent their school at this year's celebration of the May Festival May 2 at the Cucamonga Elementary School.

John Sandoval will reign as king and Violet Perez as queen with Vince Rubalcava as prince and Peggy Cherry, princess. The evening activities will be held from 5 to 9:30 p.m. at the elementary school, 9th and Archibald in Cucamonga.

Mexican food, games, a country store, hot dogs on a stick and hamburgers will be served.

The Parent Teachers of Cucamonga are sponsoring the event to which the community is invited.

Demos Slate Dinner Dance

The West End Democratic Club plans a "Stars and Stripes Gala" June 14 at the Ontario Elks Club for members, the general public and also friends.

Dinner dance information may be obtained by contacting Mac Stover at the Democratic Headquarters, 458 N. Euclid ave., Upland.

Tom Schultz, administrative director of the Center said that there will be fun and games for all who attend. The feature of the evening will be a parachute free fall demonstration by the Norton Air Force Base

Pulse Of The Plaid

By Andy Wilson

The recent rejection of the tax increase in the Chaffey Union High School district has caused considerable changes in the district outlays. Much of what has been said concerning cuts is mere rumor. However, very little is definite. Those changes we students have been informed of are:

1) The student day has been cut to five periods. Each student must drop one subject other than physical education for which he is presently enrolled.

2) Graduation requirements for next year have been cut to 200 units, from

'Go To Alaska' Topic For Presby. Women

The Women's Association of the First Presbyterian Church of Upland will meet for their monthly luncheon in Hart Fellowship Hall today, May 1, at 12 noon. Mrs. Kenneth Gordon, president, will preside.

Guest speaker will be Mrs. Albert Barber who is a coordinator for interpretation of general missions of the Riverside Presbyterians Association. Mrs. Barber has been active in the Association for several years also serving as a national missions appointee. It was through her work in the Presbyterians Association that she became interested in the national missions and traveled to Alaska and to Puerto Rico to visit the missions there. Mrs. Barber has chosen "Go to Alaska" as the topic for her talk.

Mrs. Barber, who is a nurse, has helped in clinics in the southwest United States particularly working with the Navajo Indians at the Ganado Mission in Arizona. At the present time she works part-time in the hospital in Yucaipa where she now resides, and she is active in the Yucaipa Valley Presbyterian Church which she helped organize.

Luncheon will be under the direction of Mrs. Clyde Delong and Mrs. Gerald Otto.

Moonlight Steak Fry Fly-In Planned

Parachute Demonstration Team.

The rates are \$3.50 per person for the cost of the steak if you fly your own plane, or, Schultz continued, "a total cost of \$12.50 per person if Cable provides the transportation." Children under 12 may attend for half price. Anyone interested may contact Cable Airport at 624-9626 for information and reservations.

Cucamongan Honored

A Cucamongan is among the 212 new members of Alpha Lambda Delta, national honor society for freshman women, on the University of Texas campus. Membership is based on superior academic achievement.

Receiving the honor last week, was Cyndie Pidgeon, 7748 Valle Vista.

Mother-Daughter Banquet, May 3

The Annual Mother-Daughter Banquet of Grace Lutheran Church in Upland will be held at the Church on Sat. evening, May 3rd at 6:30 p.m.

All mothers and daughters are invited

SCHEDULE OF CONCERTS

NEW YORK LYRIC QUARTET

A delightful singing group. They present a fascinating program which includes operatic excerpts, Broadway hits, madrigals and folk songs.

KYUNG WHA CHUNG

A brilliant young Korean violinist. One of the most entrancing new artists to grace the concert scene in years.

VIENNA ACADEMY CHORUS

A mixed vocal ensemble, internationally famous. Their extensive repertoire ranges from the oldest to the most modern of choral literature.

LEE EVANS TRIO

Features Lee Evans, pianist, masterfully supported by bass and percussion. The Lee Evans Trio plays good music and plays it well.

GOLD & FIZDALE-Duo Pianists

Distinguished duo-pianists who have performed here and abroad. The most often engaged team with the New York Philharmonic.

**Everybody is waiting
for somebody to do something
about smog.**

Meet somebody.

This is our community. We live here. We've served Southern California for more than 100 years. And we've lived with the smog problem just as you have.

The Southern California area is recognized for having some of the best control programs for air pollution in the country. But we still have smog.

We wanted to help solve the problem. Not just talk about it.

And now we think we have a way to help.

At the Gas Company, we've found that using natural gas as a fuel in motor vehicles sharply reduces the pollutants that cause smog.

We've already converted a number of our own service vehicles to use natural gas for fuel. And

we're working to perfect the system for our own fleet, and so that others can use it, too.

There are many organizations like ours, with fleets of vehicles, operating from central servicing and fueling locations, spending many hours every day on the streets and freeways in Southern California. Conversion to natural gas is simple, and relatively inexpensive. Operation is more economical.

We don't claim that use of natural gas in fleets of buses, trucks, and cars is going to clean up the smog problem overnight. But it will help. And that's what we wanted to do.

TOURING AREA -- Looking around the Pomona National golf club in Walnut, and talking with the featured speaker, Dr. Loriene Chase, center, are Mrs. Lloyd Michael of Alta Loma, a hostess, and Mrs. Wilfred M. MacSween, right, press chairman of the National Charity League, Foothill Chapter, at Chapter Day last Wednesday.

Janice Bowers Wed To Philip G. Urry

Miss Janice Emily Bowers, daughter of Mr. and Mrs. Melvin H. Bowers of Upland became the bride of Philip G. Urry, son of Mr. and Mrs. Donald C. Urry of Phoenix, Ariz., on April 5.

The double ring ceremony took place at 4 p.m. in the Kingman Chapel in Claremont with the Rev. Elbert N. Smith officiating. For the rites the church was decked with white gladioli and stock.

Given in marriage by her father the bride wore a street-length dress of white silk organza trimmed at neckline, wrists and hem with Venetian lace. A short veil of silk illusion fell from a bow of Venetian lace and she carried a cascade bouquet of white cymbidiums.

Matron of honor was Mrs. Stanley P. Book, sister of the bride, of Upland. She was gowned in a street-length dress of blue crepe with long sleeves of chiffon and she carried a cascade of white gladioli and sweetpeas.

Best man was Ruben Abrica of Escondido and Stanley P. Book of Upland was the usher.

William Blanchard provided the organ music.

The reception following the ceremony was held in the church parlor. Miss Susanne Bailey held the guest book and the Misses Corrine Haas, Carla Boyer and Joanne Gerlach served cake and punch.

The new Mrs. Urry is a student at Occidental College majoring in urban studies. She is a graduate of Chaffey High school where she was member of the high school district orchestra; student director of the junior and senior class plays; member of Erisians Try-Hi-Y; PTA student of merit; lifetime member of the California Scholarship Federation and recipient of the Bank of America achievement award in the field of social studies.

Mr. Urry is also a student at Occidental majoring in philosophy. He is on the dean's list for scholarship. He is a graduate of Central High school in Phoenix where he was president of the French Honor Society, member of the National Honor Society. He was awarded a four-year scholarship to college by the Arizona Republic and Phoenix Gazette.

Reading Group Sets Installation

Miriam Piequet, Upland teacher, will be installed as president-elect of the Foothill Council of the International Reading Association at an Installation Dinner on May 6.

Dinner will begin at 6:45 p.m. at the Mural House, 1850 E. Holt, Ontario.

Also to be installed are Dora Evelyn Frederick, recording secretary; Virginia Walker, corresponding secretary; and Ruth Pedvin, treasurer. Ruby Nicholson, this year's president-elect will be installed as president of the organization.

Guest speaker at the dinner will be Dr. Alice Thompson who will speak on the topic "The Child Who Isn't Ready to Read Until Age 10 or 12". Dr. Thompson is the director of the Learning and Behavior Project at the California State College at Los Angeles. A certified psychologist, Dr. Thompson, received her M.A. at UCLA and her Ph.D. at the Sorbonne University in Paris. She has been an associate professor of psychology at California State College at Los Angeles since 1950.

Cal Flames Plan Ball

A regular business meeting conducted by president Mrs. Andrew B. Wood was held at the Cucamonga Fire Hall on April 21. Final plans were made for our 4th Annual Firemen's Ball.

Four women came from the Alta Loma Club as guests.

Mr. Stew Hastings Fire Marshall from Norton Air Force Base put on a home fire safety program.

Mom-Daughter Plans Given

Plans for a Mother-Daughter Luncheon was revealed at the recent meeting of Xi Gamma Kappa chapter of Beta Sigma Phi in the Ontario home of Mrs. Robert Burns.

Mrs. Donald Weiland, social chairman, has arranged for the luncheon which will be May 10 at the Sycamore Inn in Cucamonga.

The Girl of the Year was also elected by secret vote and will be revealed at the sorority's Founder's Day celebration April 30 at Orlando's Restaurant in Pomona.

Two programs were presented by members of the group from the outline, "The Grand Tour". Mrs. Donald Weiland reported on the islands of the Caribbean accompanied by Mrs. Keith Krumwiede showing her slides of the Virgin Islands.

The republics of Central America were described and illustrated by Mrs. William Ferri, Jr., who noted that the isthmus has been called a "tropical wonderland" because of the vast jungles covering much of the land.

Mrs. Philip Urry

Today's WOMEN

CHECKING THE PROGRAM -- Mrs. Charles T. Vath of Alta Loma, a hostess for the National Charity League's Chapter Day last Tuesday at the Pomona National golf club in Walnut, looks over the program with Mrs. John R. Campbell, general chairman of the day-long event, and Mrs. Donald Reiterson, program chairman, of Montclair.

Dr. Loriene Chase Believes In Spirituality, Impact Of Man

"The further away from God man moves, the more neurotic he becomes."

This was the ultimate conclusion reached by Dr. Loriene Chase, clinical psychologist, after years of research and study she told members of the National Charity League at the organization's Chapter Day last Wednesday.

She said she was "totally convinced that we must return to spiritual values, not organized religion, but the spiritual side of man."

"Man is a triangle in himself and it must be balanced," Dr. Chase said. The triangle is composed of physical, mental and spiritual sides, and all must be working together, she told the 500 attentive Leaguers.

Dr. Chase urged the league and people like you who care should be active in your caring to counteract the revolutionaries that we have.

"Out of revolution comes growth, but there are also elements destructive to the things we believe in."

She said she felt it was a "mistake" to remove the reference to God in schools. "God is a reality and a part of us. I know what happens when people connect with that energy and when they let it slip away. We must consciously work to hold it."

"Now we have modern methods to do this," she said. She called her method of working with people "reprogramming."

behaviour modification. She said it is a method to condition and recondition yourself. It is a form of relaxation and of feeding ideas into the mind much as information is fed into a computer.

Dr. Chase said she uses meditation in working with her patients and that those who learn and practice it, move ahead quite rapidly.

"We must learn to take total responsibility for ourselves. Placing the blame on others for our problems is out of balance. There are many more forces at work in the universe than those of our mothers and fathers."

"It's up to us. Everyday we have a choice in how we reflect ourselves. Everything you touch has impact. What kind of wake are you leaving? Something that makes life better?"

Dr. Chase said that, although the study of Freud was the main emphasis during her school years, the thoughts of Dr. Carl Jung on the spirituality of man helped her determine her current feeling on how to treat patients. She has a method which is accelerated (you need not continue with a psychiatrist for years and years without a conclusion to the problems.) Now, within 10 days, with a session a day, she can reach a patient and help him help himself.

At the end of her talk, Dr. Chase answered questions from the audience.

The event took place at the

Pomona National Golf Club in Walnut. Mrs. Lynn William Kloepfer, national president, presided over the day-long gathering.

Highland Wives Install Officers

The Highland Wives met recently at the home of Mrs. Robert Spencer for a potluck salad and dessert luncheon.

Following the luncheon Mrs. Cal French, 1967-68 president, installed the 1969-70 officers. They are Mrs. Thomas Glashen, president; Mrs. Charles Whitham, vice president; Mrs. George Beresford, recording secretary; Mrs. Richard Jones, corresponding secretary, and Mrs. John Pickering, treasurer.

The installation was centered around the theme of seashells and each new and outgoing officer received a mounted seashell which represented her office. Mrs. Thomas Glashen was given a cut glass dish in appreciation of her services as this year's president.

Following the installation the members enjoyed a social hour and had the privilege of copying the recipes for the foods served at the luncheon. The luncheon donation was contributed to the William Simonsen Kidney Machine Fund.

'Beginning Anew' Theme For May 2

The Church Women United of the Ontario Communities will meet on Friday, May 2, for Fellowship Day, beginning at 10 a.m. at the Ontario Bethel Congregational Church.

The theme will be "Beginning Anew" with Mrs. Ernest Payne as chairman.

Two men from two fields of work with the mentally retarded will speak. Dr. Clements Johnson, chief of professional education at Pacific State Hospital

in Pomona will speak about their work with patients in helping them to accept themselves, to be accepted by society, and their possible re-entrance into our society.

Bringing a message about work in the local area will be Richard Miley, director of the Chaffey Training Center for the trainable mentally retarded, located on the Chaffey campus. He will tell of their work in training high school age young men and women.

They are trained to maintain themselves and to help in a home environment so that they can be placed in their own or foster homes, rather than having to live in an institution. This facility has been in operation since 1965.

The morning meeting will be followed by a luncheon at noon.

Reservations should be made with the key women in each church by April 29. Child care will be provided.

Dime-a-Dip Dinner Fri.

The Upland junior high school PTA is sponsoring a Dime-a-Dip Dinner tomorrow evening from 5-8 p.m. The dinner will be held in the snack-bar area at the junior high school with tables set up both inside and outside.

Each portion of the food -- a wide selection of hot dishes, salads, desserts, and punch or coffee -- may be purchased for only 10 cents.

Throughout the dinner musical entertainment will be provided.

The dinner is the PTA's last fund-raising event of the year.

READY FOR TOMORROW NIGHT -- at the Dime-A-Dip dinner, salads may be served from such a bowl as is held by PTA President Mrs. A.R. Allred, center. Behind her and in front of the student book lockers facing the Upland Junior High snack-bar area are members of the Student Relations Committee, who have been urging students to bring their parents and families to the dinner. From left to right are Anna Lopez, Jim Longoria, and Connie Miller.

POLY VUE QUEEN---Barbara DiGeorge, center, is surrounded by her court of princesses. The Cal Poly, Pomona coeds will reign over POLY VUE OPEN HOUSE festivities May 9-10. Left to right are Janet Geiger, Jeanne Graff, Miss DiGeorge, Pat Sargent and Cathy Morris.

Miss Kim Novak Cal Poly Guest Saturday, May 10

Motion picture star Kim Novak will be guest of honor at California State Polytechnic College, Pomona for the local college's Poly Vue open on May 9-10.

The attractive blonde will spend one day Saturday, May 10 visiting academic displays, the horse show and rodeo as well as many of the other activities of the two-day annual event.

Kim Novak

Miss Novak recently purchased an Arabian horse from Cal Poly. She has had some difficulty gaining permission to take the horse home and

it has remained at the school.

Besides the horse show, rodeo and academic exhibits, the 27th annual open house, this year themed "Kaleidoscope," will feature a carnival, a deep-pit barbecue, Grand Prix soap box derby, and professional skills contests.

More than 10,000 visitors are expected at this year's Poly Vue, said Miss Jeanie Rexin, co-chairman of the event. Miss Rexin, along with co-chairman Robert Roseler are responsible for coordinating the college-wide activity. This is our chance to show what college life is all about," said Miss Rexin.

The two chairman will also escort Miss Novak around the various activities during her visit.

Miss Rexin, a 20-year-old business management junior, is the daughter of Mr. and Mrs. W.J. Rexin, 9250 Garibaldi ave., Temple City.

Roseler, a 23-year-old business management senior, is the son of Mr. and Mrs. Fred C. Roseler, 352 Blackshear ave., Los Angeles.

Education Of Mentally Retarded Emphasis Of LVC This Summer

LAVERNE - LaVerne College's 1969 Summer Sessions will see the initiation of a program in special education in both a regular and a "post" session in addition to the college's standard summer curriculum offerings.

The areas of emphasis in this program will be in the education of the mentally retarded and the orthopedically handicapped, and will provide semester hours of course work in each area.

Registration for these courses, and for all other courses in the regular summer session is Saturday, June 21 (erroneously announced the Summer Session Bulletin as June 14). Registration for enrollment in the summer student teaching program is Saturday, June 14.

The special education program will lead to a credential granted in partial fulfillment of requirements, which qualifies one to start teaching in his area of specialization.

Facilities of the Ontario - Montclair School District will be utilized as a place for observation, participation and demonstrations. The district has an extensive program and excellent facilities for education of handicapped children.

In addition to this special program, as many as 175 students are expected to enroll in the Cooperative Summer Session Student Teaching Program.

The Post Session will offer an opportunity to students to take special methods courses and some that are required

PV Humane Society Open House Sunday 2-5

This year the Humane Society of Pomona Valley will celebrate their 20th year of service, throughout the heart of the Pomona Valley area. Bruce Richards, the Executive Director, said they will have a public open house on Humane Sunday, May 4, from 2 to 5 p.m. Everyone is invited to celebrate with us on this day. A complete staff will be on hand to conduct tours, answer questions, pass out selected literature, demonstrate the use of emergency equipment and serve refreshments.

A photographer will also be on hand as it is hoped to have local government officials officiating. There will be plenty of free parking.

Parents are asked to accompany their children and leave their own pets at home, Richards said.

If you don't have a pet the Pomona Valley Humane Society is after you. This is "Adopt A Pet Month". We are going to try and place as many animals as we can, but only with people who are willing to give them GOOD homes, Richards said.

He pointed out that a tiny puppy or kitten is irresistible to most people.

Once the pet arrives in a new home, however, the trouble usually begins. There may be soiled carpets, chewed-up shoes, crying at night.

Other problems include feeding, medical care (including shots) and what to do with the pet when the family goes on vacation.

A pet can help children learn responsibility and kindness towards all living things as well as being a loyal member of the family. If your family is emotionally ready for pet ownership, and if you have adequate facilities for housing a animal you select, the Pomona Humane Society is after you to adopt a pet during May and to GIVE THE PET A GOOD HOME. We have

fine animals available right now, Richards said.

Efrem Zimbalist Jr., star of "The F.B.I." television series, is national Kindness Chairman for 1969.

Animal shelters, police departments, and other agencies receive thousands of calls daily concerning animals which are lost, injured, neglected and abused, Richards said. Each year countless thousands of dogs, cats and other animals are reported stolen or just mysteriously vanish. Infact cattle rustling is still a major problem in many areas. The Pomona Humane Society recommends that animals be kept safe at home or under close control at all times as a precaution against so-called "pet-nappers."

He warns that pet owners who allow their animals to roam are subjecting their pet to constant peril--such as, poisoning, injury or death, stolen, contact with diseased animals, impounded, may bite someone, and they are a constant threat to people, property and school ground officials.

It's dangerous to leave animals in parked cars. Many are reported stolen and others may escape through open windows. On warm days, the inside of a parked car can turn into an "oven" in a matter of minutes, even with the windows left part way open.

The accomplishments within the past twenty years:

1. Our Humane Education program. Last year we reached over 17,000 children with our three phase program and gave lectures to 23 civic and social clubs throughout the area.

2. The now occupied new additional animal quarters, which have enabled us to increase our animal adoptions tremen-

dously and enabled us to give the animal a longer stay with us.

3. The completion of a large animal corral and shelter and the addition of a two-animal horse trailer.

4. A more humane method of putting animals to sleep when necessary. Euthanair ("high altitude") chamber.

5. Becoming more and more a part of the community and the neighboring cities which we have contracts with--Pomona Claremont, La Verne and San Dimas.

6. Receiving first place in the Pomona Beautification Contest--1969 among entries for organizations.

Further projects:

1. Our directors are currently discussing with approval, that we should have a cremation unit. Presently all dead animals are being transported to Los Angeles for disposal.

2. To increase our active membership roll.

3. This summer we will have special programs for children who will be camping, as to why they

should leave wildlife animals alone--we hope that adults know better. We shall continue our humane educational programs to the head start classes, Scout groups, etc throughout the year. We plan on having an All American mixed breed cat and dog show this summer to be announced later.

7. Primarily our future projects are to continue in the direction we are now headed.

The following is the program schedule during "BE KIND TO ANIMALS WEEK":

May 4th--Humane Sunday--Open House from 2 to 5 p.m.

May 5th--"The Day and Life of a Humane Officer," 2 p.m.

May 6th--"Humane and Safe Way to Handle Cats," 1 p.m.

May 7th--"The Humane

Way to Care and Handle Your Dog," 1:30 p.m.

May 8th--"First Aid for Small Animals," 2 p.m.

May 9th--Children's

Day (Tours) All day.

May 10th--Lecture on "Who Needs Us," 2 p.m.

Schools, clubs and also groups who would like to

attend any of the above one-hour programs should phone ahead so seating arrangements may be prepared.

Pioneer JHS Students Plan Talent Show

"Talent As It Is" will be the theme of Pioneer Junior high school's annual Talent Show to be presented Tuesday, May 6, at 7:30 p.m. in the school's multi-purpose room.

Twenty-two acts will feature the school's bands and choruses, as well as a number of individual dances and songs. Emcees will be David Glasser and Sol Feldman.

The program will be opened by the Dance Band. "Let's Go Fly a Kite" and "Moon River" will be sung by the eighth grade girls' chorus. They will be followed by a hula dance presented by Dawn Sanford and an accordian solo by Kevin Lindow. "Wonderful Copenhagen" will then be sung by the seventh grade mixed ensemble.

Soren Sorenson will dance to "Sleepy Lagoon." The Dixieland Combo will

follow with renditions of "Swanne River," "Schoolroom Dixie" and "When the Saints Go Marching In." A duet "Gentle On My Mind" will be sung by Celia Galbraith and Allison Alexis. A Scottish dance, "Sailor's Hornpipe" by Lynne Drewes will then be presented. Beth Pehl will sing a guitar solo of "Sancty Ando" and then will reappear with Teresa Cline, Marcy Baron, and Gay Sato to sing "Happiness."

The entire cast will join in the closing number "Put on a Happy Face."

The Pioneer Junior high student body is putting on the show to raise money for its student body funds.

Teachers who directed the show are Lentz, Comito, Miss Gardner, and Mrs. Roth.

COOKING IS FUN -- Three Girl Scouts from Troop 1023 show how they will blend ingredients to make cookies or cake to present at the Junior Home Fair Saturday at Alta Loma high school. Each entry in table setting, sewing, cooking, and needlecraft will be graded on its own merits. From left to right are Denise Svinth, Ileen Mills and Vickie Barney. The girls attend Central school in Cucamonga.

Community Concert Assoc. Member Kick-Off Sunday

The curtain will go up on the 16th year of the Upland-Ontario Community Concert Assn. on Sunday, May 4. The kick-off dinner will be held at 6:30 p.m. at Orlando's 1700 West Holt ave., in Pomona. Mrs. Bruce Claflin, chairman will be assisted by Mrs. Robert L. Jones. The Upland-Ontario and Pomona Concert Associations will meet together for this dinner.

Officers, the division chairmen, team captains and workers will convene at the dinner meeting which will inaugurate the one-week membership campaign for the 1969-70 concert season. Officers will give instructions to workers for enrolling the members. The campaign will run from May 5 to May 10.

Purpose of the membership campaign is to accept renewal memberships from past subscribers and to enroll new members for a series of concerts to be given in Ontario and Pomona. Also the Community Concerts Plan makes available to the community the finest concerts, and brings nationally-known artists to the West End area at a price everyone can afford.

Over the years since the Community Concerts Plan was introduced many distinguished artists have been brought to this area. The Upland-Ontario Community Concert Association has presented Leonard Pennario, Camilla Wicks, Obernkirchen Children's Choir, Mantovani, Jose Greco,

Los Angeles Philharmonic Orchestra, The Chicago Opera Ballet, Lola Montez and Her Spanish Dancers, New York Pro Musica, Leon-Tyne Price, in all 71 concerts, featuring vocal soloists, pianists, dance groups, duo-pianists, violinists, orchestras and choruses, quartets. The 1969-70 season will present the same high quality programs with top-flight artists.

The Upland-Ontario Community Concert Association is a non-profit organization with annual membership fees of \$8 for adults and \$4 for students. Under the Community Concerts Plan, workers receive one adult membership for each \$80 value of memberships sold; and a student worker receives a student membership for each \$40 value of memberships.

During the one-week campaign, workers will accept membership renewals and sell new memberships. Headquarters for the drive will be at the Travel Bureau, 812 North Euclid ave., Ontario.

THEY COME FROM ALL OVER -- Mrs. Robert Nichols, left, and Mrs. Willis Kimbel, right, display a board of flags marking the locations of all the troops within the Chaffey Girl Scout District. To the right of the board are some of the ribbons to be awarded to participants in the Junior Home Fair Saturday at Alta Loma high school. About 600 Girl Scouts of junior age (4-6 grade) are expected to attend. Mrs. Nichols is the leader of Upland Troop 1071; Mrs. Kimbel is Chaffey District Chairman and chairman of the Junior Home Fair.

Jr. Girl Scouts Prepare For Home Fair Competition

More than 600 Junior Girl Scouts from the Chaffey District, Spanish Trails Girl Scout Council, will participate in a Home Fair at Alta Loma High school on May 3. The event, which was open to all Junior level scouts wishing to register, will be held from 10 a.m. until 2:30 p.m.

The program planned will include judging of entries submitted by the Junior girls and prepared during their Junior years in Scouting. These entries will be separated into four divisions--Cook Needlecraft, Hospitality and Sewing--and each in turn will be judged in sub categories.

Demonstrations were arranged for by Mrs. Gary Shupe and Mrs. Kenneth Minor. Samples and prizes for the day are being arranged by Mrs. Robert Nichols and Mrs. Anthony Jaramillo. Mrs. R.T. Burchell is responsible for poster display with publicity handled by

Mrs. Eugene Latta and Mrs. Joe Cottrell.

General coordinator for the event is Mrs. Willis Kimbel.

PV Concert Association Formed By Merger; Drive Set

William B. Blanchard, president of the Upland-Ontario Community Concert Association, has announced that the Pomona Community Chest Association and the Upland-Ontario Community Concert Association will work together next season.

By merging, the result will be bigger and better concerts for 1969-70.

In the future the two Associations will be known as "The Pomona Valley Community Concert Association." At the present time two campaigns for Community Concerts will be held simultaneously May 5 through May 10, in Ontario and Pomona.

Members are assured of five concerts for the 1969-70 Season. All five concerts will be held at Gardiner W. Spring Auditorium, 1245 North Euclid Avenue, Ontario at the Chaffey high school campus.

The five concerts for the forthcoming season are:

KYUNG WHA CHUNG brilliant young Korean violinist who is one of the most entrancing new artists to grace the concert scene in years. She won first prize in the Leventritt Competition—America's major-league violin contest which heralded the beginning of her regular concert appearances in the United States. She has been engaged as soloist with the New York Philharmonic and Pittsburgh Symphonies and several other orchestras.

LEE EVANS TRIO features Lee Evans, pianist supported by bass and percussion. Lee Evans is equally at home in the realm of popular classics or the world of classic pops. The Lee Evans Trio plays good music and plays it well.

THE NEW YORK LYRIC QUARTET under the direction of Robert De Cormier is a delightful singing group. Each member of the quartet has been chosen for his or her achievements. They present a program which includes operatic excerpts, Broadway hits, madrigals, folk songs. Youth, talent and spirit

The Community Con-

make this one of the best ensembles to be heard today.

VIENNA ACADEMY CHORUS with Dr. Xaver Meyer, as conductor. The internationally famous Vienna Academy Chorus returns to the United States for the seventh time, during the 1969-70 season. This chorus is a mixed vocal ensemble with 24 vocally and instrumentally trained students who are graduates of the Vienna Academy of Music.

The Choir tours in 25 different countries on four continents and participation in international festivities such as Salzburg and Edinburgh testifies to their excellent reputation. Their extensive repertoire ranges from the oldest to the most modern of international choral literature with particular emphasis upon Austrian music.

GOLD AND FIZZDALE are duo-pianists. Arthur Gold and Robert Fizdale, hailed as great duo-pianists, have earned this title through their distinguished performances here and abroad. The most often engaged team with the New York Philharmonic, they again performed with this orchestra for the fifth time, in March 1968 under the baton of Leonard Bernstein in Mozart's Concerto for Three Pianos. Gold and Fizdale have also distinguished themselves on television, performing on the Bell Telephone Hour, the Tonight Show, and NBC-TV's Recital Hall.

The one week Membership Campaign will be held May 5, through May 10, with headquarters at the Ontario Travel Bureau. The purpose of the campaign is to accept renewal memberships from past subscribers and to enroll new members for a series of five concerts to be given in the Gardiner W. Spring Auditorium, on the Chaffey high school campus, or the Fox Theatre in Pomona. The fees are \$8 for adults and \$4 for students.

The Community Con-

Data Design Laboratories (OTC) Cucamonga has acquired Modern Machine, Porterville, Calif., for an undisclosed amount of cash, according to Edmund W. Baker, president of Data Design.

Modern provides precision machine shop capabilities for the helicopter field.

Baker said the newly acquired company will be integrated into DDL's wholly owned subsidiary, Sierra Aviation, also Porterville, and will operate under the supervision of former owner Wallace Dillon.

He added the new acquisition is part of a program planned to expand Sierra Aviation's operations into all areas of helicopter repairs and re-manufacture.

Sierra Aviation manufactures, distributes, modifies, overhauls and services parts and components for military and commercial helicopters and small aircrafts.

Headed by Leroy Gates, president and general manager, Sierra's other officers include E.L. Trupe, vice president and director of sales and Dominic Salvati, secretary-treasurer. The company was founded in 1961 and acquired by Data Design Laboratories in June, 1968.

In addition to its activities in the helicopter industry, DDL is engaged in the development and manufacture of complex electronic systems, radar jammers, countermeasures equipment, telemetry systems, electronic warfare instrumentation and supporting technical and maintenance documentation.

Claremonters To Host Art Membership Party

Mr. and Mrs. Arthur Ames of Claremont, have offered to open their home for the New Members Party of the Chaffey Community Art Assn., Sunday afternoon, May 4, from 3 to 5 p.m.

Mr. and Mrs. Ames will open their two studios so old members and new members may view some of their works. This party is sponsored by the Chaffey Community Art Assn.

Mrs. Ames (Jean Goodwin) is Professor of Art at Scripps College and Arthur Ames, Professor of Design at Otis Institute of

Los Angeles County. Mrs. Ames is nationally known for her work in painting, mosaics, enamels and tapestries. The tapestries that hang in the Garrison Theatre in Claremont were woven in Europe under the supervision of Mrs. Ames.

Mr. and Mrs. Ames have collaborated on numerous projects involving enamel on copper, mosaics and tapestries. National awards won by them include those from the Syracuse Annual National Ceramic Exhibition and the National Decorative Arts Exhibition, Wichita, Kansas.

Mrs. Philip White is general chairman of the New Members Party and has procured the invitations to be mailed to current members and prospective members.

SCHOLARSHIP FINALIST -- David Ring, Upland high school senior, is shown being presented with a gold award for scholastic achievement by M. E. Horsley, district manager, Southern California Edison Co., while Thomas Glasheen, principal of UHS, looks on.

Stuft Shirt Restaurant Sale Announced

Norman L. Goss, President of Stuft Shirt Restaurants, has announced the sale of the Stuft Shirt Restaurant in Upland. It was sold to the JayFam Corporation by Lucille J. Fletcher, Associate of the Brannon Real Estate Organization, 869 E. Footblvd., Upland.

The new owners are planning to completely redecorate the interior and exterior. The new outside decor will blend with the City's beauty of mountains, trees, vineyards and natural landscapes.

Walter C. Rippe, President of the new corporation will undertake full control of operating the restaurant.

He is a well known Southern California restauranteur. The restaurant is presently operating under the old name of the "Stuft Shirt Restaurant", but with the new name and the new look the restaurant will be known as the "Uplander Chalet."

The grand opening date will be announced soon.

David B. Ring Enters S.C.E. Award Finals

UPLAND -- An Upland High School senior, David B. Ring, has reached the finals in competition for one of six \$4,000 scholarships awarded annually by Southern California Edison Co.

David, son of Mr. and Mrs. Robert E. Ring, 1510 N. Euclid Ave., and two other finalists from this area will compete in the finals to be held in Los Angeles this month.

One of the three will be chosen after an interview with a panel of civic leaders.

One winner is chosen from each of Edison's six geographic divisions and will receive the scholarship for four years.

West End Opera Selects Soloists

Soloists for the West End Opera Assn., forthcoming presentation of "Carmen," May 3 at 8:15 p.m., in Gardiner Spring Auditorium have been selected. Dorothy Dallas will portray Carmen, Pete Roberts is cast as Don Jose, Nathan Rundlett will handle the role of Escamillo and Micaela will be played by Jean Withrow.

Dorothy Dallas, born in California, started her musical career at the age of eleven. Her singing roles range from musical comedies to grand opera.

In the lighter vein, Dorothy has appeared in such musical comedies as "The Sound of Music" (original cast on Broadway), "Brigadoon," "Kismet," "Showboat," "Carousel," "The King and I," and "Kiss Me Kate". Operatic roles for Dorothy have included the Gilbert and Sullivan light operas "The Mikado" and "Pirates of Penzance."

Her repertoire of grand opera includes Carmen in "Carmen," Mime in "La Boheme," Santuzza in "Cavalleria Rusticana," Tosca in "Tosca,"

and Maddalena in "Rigoletto."

Pete Roberts, a native of Connecticut, has an extensive singing career,

Mr. Sandridge, age 66, died at his home Saturday. He was born in Inglewood, Texas and was a resident of Upland for 37 years. He had completed 15 years service with the

City of Upland as an assistant equipment operator.

He is survived by his wife, Vera; one son, Gary, of Ontario; one daughter, Mrs. Joe Walton, Ontario.

The Rev. Charles Macmillan, pastor of the 11th Street Baptist church officiated and interment was at Bellevue cemetery.

RESOLUTION NO. 2181
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
UPLAND DETERMINING GENERAL PREVAILING PER DIEM
WAGE RATES

WHEREAS, the City of Upland is about to enter into a contract or contracts for the construction of certain municipal improvements; and

WHEREAS, there will be employed about said construction certain crafts or type of workmen; and

WHEREAS, it is necessary to establish or ascertain the prevailing rate of per diem wages and the general prevailing rate for legal holiday and overtime work in the City of Upland for each craft or type of workman; and

WHEREAS, Chapter 1787, Statutes of 1959 as contained in Section 1773.3 of the Labor Code of the State of California requires that each city file annually with the Director of Industrial Relations its determination of the general prevailing rates of per diem wages in the locality where public work is to be performed;

NOW THEREFORE BE IT RESOLVED that the general prevailing per diem wages and general prevailing rate for legal holidays and overtime work in the City of Upland for the following crafts or type of workmen is as follows: (Per diem shall mean an eight-hour day; all over eight(8) hours shall be overtime.)

NOTE: Hourly wages listed include - Health and Welfare;

Pension; Vacation and Holidays unless otherwise indicated.

"Experiment In Friendship" Series Being Held At Church

An "Experiment in Friendship" is being conducted at the Foothill Baptist Church 1330 W. 15th st., Upland from April 27 - May 18. Negroes, Indians, Spanish Americans will all be a part of the program cur-

rently in progress ac-

cording to Rev. Bernard Andrews, pastor of the local congregation.

Every Sunday and Wednesday evening a special presentation will be made to acquaint the members of the congregation with

other cultural groups of the area. The first meeting in this program was held last Sunday evening when Rev. Aaron Hamilton, director of the National Negro Association of Evangelicals spoke, challenging the

church members to greater fellowship among all believers in Christ of all groups. He was accompanied by a Negro singing group.

Sunday evening, May 4, a team from the Spanish-American Instituto Evan-

gelico in La Puente will share the concern of Mexican-American believers and also bring a musical program. They will be accompanied by M. L. McBride, director of the Institute. Also re-

presenting the Spanish -

American segment of our society will be Rev. and Mrs. Don Lundborg from World Gospel Crusade on Wednesday, May 7 and Rev. Arnold Pearson on May 14.

Three Navajo Indians from Tuba City, Arizona

will be at the local church on Sunday, May 11. Rev. Scott Franklin, a Navajo pastor who has established several churches on the reservation among his own people will share with the members of the church his concern for

these often neglected Americans. The Sunday services begin at 7 p.m. and the Wednesday services at 7:15 p.m.

Braves Shut Out Hacienda Opponent

ALTA LOMA -- An explosive four-run rally in the first inning led Coach Art Keough's Alta Loma High School's varsity baseball team to a 5-0 victory in a Hacienda League meeting with Walnut here Tuesday afternoon.

Pitcher Frank Hege earned his third victory of the season for the Braves as he held the visitors to just three hits while fanning 10.

Rich Hernandez opened the scoring parade for the Braves when, with two outs in the first, he got aboard on a single, Dan Stevenson and Tim Learned got aboard on errors by the shortstop and Rick Mack singled to center. Mack then stole second and scored when Mike Gilliam reached base on an error by the second baseman.

Montclair To Have Two Trying Out For Cal Poly Squad

Two former Montclair high football standouts, Bob Bellot and Larry Davis, will be competing shortly for positions on the Cal Poly football squad.

The occasion is spring practice for the coming gridiron season in which many junior college players from the area who will be transferring to the local college campus in the fall hope to prove their worth on the football field.

Bellot, a 5'5", 165 lb. junior transfer from Chaffey JC, has been designated as a defensive back. Davis, on the other hand, will be put on the offensive unit at the half-back spot.

ITEM: Teflon, a registered trademark, concerns measurements of adhesion, thickness, nonstick properties, and other characteristics of the coating. Many manufacturers are using and will continue to use this label on their products.

The Braves added the final run in the third inning when once again Hernandez got aboard on a single, stole second and came home on a single to left by Learned.

READY TO START the new year for the Foothill Little League are (l-r) Ray Martin, vice president of Foothill LL; Dick Beeman, representative for the minor league; Giggs Valadez, department of public works; Ken Weeks, treasurer for the league; and Homer Greear, maintenance foreman for the department of public works.

Upland Defeat Cavaliers In Cross-Town Contest

MONTCLAIR - Upland High remained only a half game out of first place in the San Antonio League baseball race Tuesday with a wild 8-6 win over host Montclair.

The Highlanders, 7-1 in league and 10-5 over-all, pulled out to a 6-0 lead and appeared home free until Bob Winkler cut the lead in half with a three-run home run in the last of the fifth inning.

TWO-RUN HOMER

Upland came back with two runs in the top of the sixth on Kurt Darrow's two-run homer but the Cavaliers picked up another run in the last of the inning. Montclair then scored twice in the last of the seventh before the Highlanders were able to get the final out.

The Highlanders, who were into the game with a team batting average of .283 in league play, got eight hits during the afternoon, three going for extra bases.

Darrow and catcher Mike Wise highlighted a two-run third inning for Upland with a pair of triples.

The action picked up in the fifth.

John Terrell's double with two out in the seventh got the Cavaliers to within two, but relieved Rick

Price got Hank Merende to make the final out.

Upland ace Paul Katona went six-plus innings before Dan Price relieved him in the seventh. Dan got two out before brother Rick was called in.

Katona was the winning pitcher, his fourth league win without a loss. He is 4-1 over-all.

Darrow was the Upland hitting star, collecting two hits in four at-bats with three runs-batted-in. Mike Wise also had a pair of hits. Darrow raised his SAL batting average to .375 while Wise moved his back up to the .400 level.

Upland entertains Garfield Friday while Montclair visits Bonita. Both games are scheduled for 3:15 p.m.

Cavaliers Drop Track Meet

Montclair High's track squad maintained its position ahead of Bonita in the race for the cellar position in the San Antonio League by losing all three matches with Ganesha last week while the Bears were dropping their meet with Chino.

The Cavaliers came in second behind Ganesha in the varsity (81-47), Bee (57 1/2 - 36 1/2) and Cee (54-38) divisions.

Fred Sorenson of the home squad was the only double winner for his team in the varsity meet. The versatile Cavalier was first in the 220 in 23.8 seconds (Mickey Senior, Montclair, was 2nd) and had his best time in the 880 this year, 1:58.0 minutes, for his second victory.

Senor, besides finishing 2nd in the 220 took a first in the 440 in the time of 51.7.

Nose-Bleed

Tilt your head backward when a nose-bleed occurs. Loosen clothing at the neck and breathe through the mouth. Avoid blowing nose. To arrest the bleeding, pinch nostrils together for about five minutes and apply cold compresses over nose and face. If bleeding is profuse or prolonged, or if it recurs, seek medical attention.

Community Concert Association Formed By Merger; Drive Set

William B. Blanchard, president of the Upland-Ontario Community Concert Association, has announced that the Pomona Community Chest Association and the Upland-Ontario Community Concert Association will work together next sea- son.

By merging, the result will be bigger and better concerts for 1969-70.

In the future the two Associations will be known as "The Pomona Valley Community Concert Association." At the present time two campaigns for Community Concerts will be held simultaneously May 5 through May 10, in Ontario and Pomona.

Members are assured of five concerts for the 1969-70 Season. All five concerts will be held at Gardner W. Spring Auditorium, 1245 North Euclid Avenue, Ontario at the Chaffey high school cam-pus.

The five concerts for the forthcoming season are:

KYUNG WHA CHUNG brilliant young Korean violinist who is one of the most entrancing new artists to grace the concert scene in years. She won first prize in the Leventritt Competition - America's major-league violin contest which heralded the beginning of her regular concert appearances in the United States. She has been engaged as soloist with the New York Philharmonic and Pittsburgh Symphonies and several other orchestras.

LEE EVANS TRIO features Lee Evans, pianist supported by bass and percussion. Lee Evans is equally at home in the realm of popular classics or the world of classic pops. The Lee Evans Trio plays good music and plays it well.

THE NEW YORK LYRIC QUARTET under the direction of Robert De Cormier is a delightful singing group. Each member of the quartet has been chosen for his or her achievements. They present a program which includes operatic excerpts, Broadway hits, madrigals, folk songs. Youth, talent and spirit

make this one of the best ensembles to be heard-to-day.

VIENNA ACADEMY CHORUS with Dr. Xaver Meyer, as conductor. The internationally famous Vienna Academy Chorus returns to the United States for the seventh time, during the 1969-70 season. This chorus is a mixed vocal ensemble with 24 vocally and instrumentally trained students who are graduates of the Vienna Academy of Music.

The Choir tours in 25 different countries on four continents and participation in international festivities such as Salzburg and Edinburgh testifies to their excellent reputation.

Their extensive repertoire ranges from the oldest to the most modern of international choral literature with particular emphasis upon Austrian music.

GOLD AND FIZZDALE are duo-pianists, Arthur Gold and Robert Fizdale, hailed as great duo-pianists, have earned this title through their distinguished performances here and abroad.

The most often engaged team with the New York Philharmonic, they again performed with this orchestra for the fifth time, in March 1968 under the baton of Leonard Bernstein in Mozart's Concerto for Three Pianos. Gold and Fizdale have also distinguished themselves on television, performing on the Bell Telephone Hour, the Tonight Show, and NBC-TV's Recital Hall.

The one week Membership Campaign will be held May 5, through May 10, with headquarters at the Ontario Travel Bureau.

The purpose of the campaign is to accept renewals from past subscribers and to enroll new members for a series of five concerts to be given in the Gardner W. Spring Auditorium, on the Chaffey high school campus, or the Fox Theatre in Pomona. The fees are \$8 for adults and \$4 for students.

The Community Concerts Plan brings the world's finest artists and

programs of high caliber to the West End. This is a Community Project; everyone in the area is cordially invited to join.

SERVICEMEN

Richard Murray

Sergeant Richard A. Murray, son of Mrs. Veronica Murray, 1744 E. Fourth st., Ontario, is a member of an Air Force Communications Service unit in Vietnam that has earned the Air Force Outstanding Unit Award for the fourth consecutive year.

Sergeant Murray is an air traffic controller with the 1964th Communications Group at Da Nang Air Base, that was cited for outstanding proficiency in providing direct communications, navigational aids and air traffic control in the combat zone during the period from July 1967 through June 1968.

The sergeant, a 1964 graduate of Montclair High school received an A.A. degree in 1966 from Chaffey College.

His wife, Patricia, is the daughter of Roland Richards, 10207 Coalanga Montclair.

Troy Smith

MONTCLAIR - Hospital Apprentice Troy R. Smith, USN, son of Mr. and Mrs. Melvin T. Smith of 9812 Camulos, Montclair, is attending Hospital Corps School in San Diego, Calif.

At school, he will receive a comprehensive course of instruction which will qualify him as a hospital corpsman.

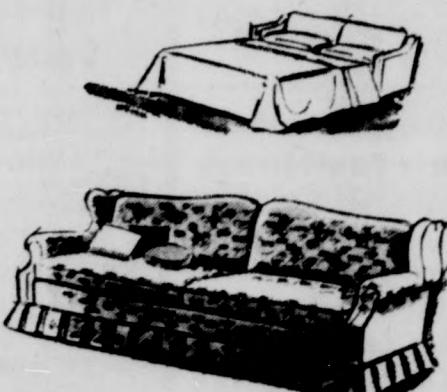

Graduates of the 14-week school may be assigned to naval hospitals, station hospitals, or large dispensaries to assist the medical officer in direct patient care.

Further practical training is given at the Field Medical Service School, Camp Pendleton, for those graduates being assigned to Marine Corps units as first aid men.

**Johnny Carson
At Melodyland
From May 3-5**

Tickets are still available for Johnny Carson's in-person appearance at Melodyland May 3-4-5 but how long they'll be available is a moot point because the comedian is a living "exception" to a long-standing rule.

There's theory in show business that if a performer has a weekly television show, don't be surprised if that "over-exposure" kills him at the boxoffice when he's making a public appearance.

Now, logically, that makes a great deal of sense. And in many instances, it holds true—but in Carson's case, the theory becomes ludicrous.

Here's a performer who isn't just seen every week, he's seen practically every NIGHT; yet, when he performs locally at Melodyland — this marks his third appearance at the Anaheim showplace — you'd think he's never been on television at all!

Showtimes are 7 and 10 opening night, Saturday, May 3; with two more performances Sunday, May 4, at 5 and 8:30 p.m., and the final appearance of this engagement set for 8:30 Monday night, May 5.

Tickets are available now at the Melodyland boxoffice, by mail and at all agencies—but you'd better hurry!

**L.A. Handicap
At Hollywood,
Sat., May 3**

Top honors in the sprinting divisions at Hollywood Park, as well as possible favoritism in the \$100,000 Californian two weeks later, will be at stake Saturday, May 3, when the Inglewood Track will present the \$50,000 added Los Angeles Handicap.

Rising Market, who won a division of the Los Angeles in 1968 while missing the world's record of 1:20 flat for seven furlongs by only three-fifths of a second, is expected to defend his title.

Bermuda Location
Bermuda is often erroneously placed in the West Indies. In fact, it is more than a thousand miles to the north. The nearest point of land is Cape Hatteras, North Carolina, some 600 miles to the northwest.

Female Progress
Japanese women have progressed from a voteless status prior to 1947 to positions of great responsibility—as college presidents, cabinet members, and seats in the Diet.

"Instant Spring" Seen At Via Verde Hills

SAN DIMAS—New landscaping procedures undertaken by the American Housing Guild at its Via Verde Hills development in San Dimas not only provided the project with "Instant Spring" but minimized run-off during the recent heavy rains.

According to Roger Werbel, executive vice president of American Housing Guild - National, the process known as hydro-mulching was instituted mainly to provide Via Verde Hills with an erosion control factor. However, a "fringe benefit" of the work was an almost immediate aesthetic and lush outward appearance.

During the recent heavy rains, Werbel noted, "erosion was held to a minimum because the proper ground covers were placed there before the winter season."

Large areas of banks surrounding the homes and the Via Verde 18-hole golf course were involved in the "instant landscaping." The process involves machinery mounted on mobile equipment containing 1,500-gallon tanks which have large

agitating systems that constantly keep its contents properly mixed. In this case, the contents included flower, ground cover, shrub and tree seeds; fertilizer; additives which aid in the germination process, and wood cellulose fiber colored with a green vegetable dye.

Primary purpose of the dye, according to Jack McWhorter, superintendent of the landscaping firm, Sta-Soil Corporation of North Hollywood, is to aid the applicator in getting an even coverage. It also provides a fast beautification of the area covered, although the dye fades within 3-4 days, when the seeds begin to sprout anyway. The Sta-Soil Corporation has pioneered this process, which has now gained industry-wide attention.

The cost to do this type of work by hand is almost prohibitive," McWhorter pointed out. "Included in the seeds were Birdsfoot Trefoil, White Clover, Royal Carpet Alfalfa, African Daisies, Marigolds, Cosmos, Carnations and a number of shrub and tree seeds."

ELECTRA SS (SOLID STATE)

The Go Anywhere-Type Anywhere Electric Portable

The Electra SS brings you a new dimension in electric typing! At home you can use your ordinary 110 volt electric current. In Germany, where in the world you can use 220-240 volt current—in fact the Electra SS does an excellent front to back . . . 60 Hz. It converts this automatically into useable typing current. Away from a current source the Electra SS operates from its own nickel-cadmium battery.

• Solid State (SS) circuit, Works on 90 to 220 Volts, 50 or 60 Hz—or on a nickel-cadmium battery.

Preview Showing Held By Design One Homes

LAVERNE - A preview showing of Design One Homes was open to the public from Sunday, April 13 at the construction site, 1776 Bell st., LaVerne. Gas barbecue cooking demonstrations were conducted during the afternoons and refreshments were served.

Nestled in the shadows of the San Antonio Mountains, the three-and-four-bedroom, two-bath residences offer a choice of four floor plans and 12 exterior styles.

First group of homes in the 67-unit Balanced Power development will be ready for occupancy by June 1.

The Southern California tradition of indoor-outdoor living is carried out by extensive use of glass in these contemporary homes designed by Architect Leonard R. Brunswick, Roseglen Construction Co. is the developer.

Each Design One residence features a living room with wood-beamed, vaulted ceiling, wood-burning fireplace, gas outlets in the patio, marble vanity tops in baths and raised tile entry with double-doors.

Patio kitchens are equipped with built-in gas appliances, dishwashers, disposals and hardwood

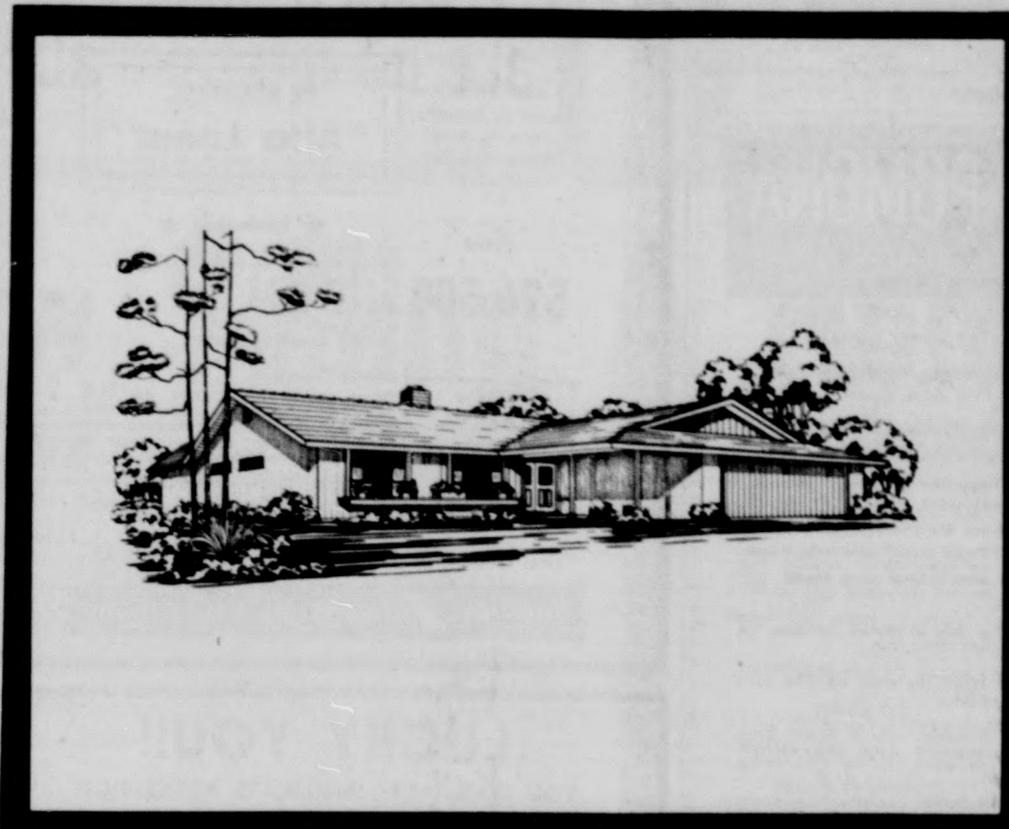

cabinets. Family rooms and formal dining alcoves are available in some models.

Boating, golfing, swimming and winter sports are a few of the activi-

ties available to Design One residents at nearby recreational areas such as Puddingstone Reservoir and Mt. Baldy.

Situated close to the

San Bernardino Freeway and the future Foothill Freeway, Design One Homes may be reached from Foothill blvd. by driving south on B st. to Bell st. and the site.

CYPRESS PLAN -- Design One Homes, a 67-unit Blanced Power development under construction at 1776 Bell st., La Verne, was previewed to the public Sunday, April 13. The Cypress model shown in rendering offers four bedrooms, two baths and family room. Glass is used extensively in these contemporary style residences.

Televised Record Information Catches Criminals Faster

Sheriff Peter J. Pitcress today demonstrated the latest step forward in law enforcement systems and techniques-ORACLE-a \$5.6 million Ampex Videofile System and Program for providing televised record information to all County justice agencies.

Executives of Ampex Corporation also appeared with Los Angeles County Sheriff's Department officials at a press conference held in the Show-up Room at the Los Angeles County Men's Central Jail. Planned for installation in 1970, ORACLE (Optimum Record Automation for Court and Law Enforcement) gives Los Angeles County the most advanced, unique and efficient recordkeeping system in the world.

Recently approved by the County Board of Supervisors, the implementation of the system will save the Sheriff's Department over \$1.5 million per year in recordkeeping expenses. In addition to

automating and speeding the handling of justice records, the videofile system will also shorten retrieval times for files and increase the speed of identifying suspects, even at outlying stations.

ORACLE was developed as an application of videotape recording and computer technologies to the storage of visual records. The developers, the Los Angeles County Sheriff's Department and the Ampex Corporation, Redwood City, California, devised this vital justice information center to enable the Sheriff's Department to better serve the over seven million citizens of Los Angeles County.

CRIMINAL CATCHER -- This photograph illustrates the retrieval process of the videofile system, televising finger prints of a suspect searched from the records previously taped for identification.

Germany
PHOTOGRAPHIC IN THE NEWS

SOCIAL SCIENCE STUDIES -- The study of Europe exhibit pictured above was one of the many to be featured during recent open house activities at Ramona intermediate school.

PUPPETS ON DISPLAY -- During open house observance of Public Schools Week at Ramona intermediate school, a display of puppets, made by the students, was exhibited. Some of the work, along with posters, is shown above.

Hill Homes Selling Fast

Sales at American Housing Guild's Via Verde Hills development in San Dimas increased 100% this week over the past two, according to Roger C. Werbel, president of American Housing Guild, Los Angeles division.

He indicated also that traffic in the model homes had jumped 115% during the same period of time. Via Verde Hills is presently offering three, four and five bedroom golf course homes starting at \$29,950. FHA/VA and conventional terms are available.

American Housing Guild is one of America's largest and most respected builders; there are more than 14,000 families now living in their award-winning homes.

"We placed emphasis on giving our buyers the highest quality homes at the lowest possible price because American Housing Guild is engaged in volume building throughout the United States," Werbel announced. "An example of our building range are the developments currently under construction in Ohio, Texas, Washington, and Virginia and Maryland to service the Washington, D.C. market as well as San Diego and the bay area of San Francisco in California," he continued.

To visit Via Verde golf course homes, take the San Bernardino Freeway to Via Verde turnoff, travel through the underpass.

Resin Casting For Adults

The Claremont Parks and Recreation Department is pleased to offer a new class in the field of arts and crafts. Resin casting is a craft which presently enjoys great popularity. The instructor, Eunice Carlson, is the former owner of Jack N' Jill Hobby Shops in Pomona and Claremont. She studied art at the National Academy of Art and the Art Institute in Chicago and was instruc-

mental in introducing resin casting to Southern California.

Classes will begin on Thursday, May 8 at 7 p.m., and run for six weeks at a cost of \$15 for 6 two hour lessons (materials included). Pre-registration is requested. To register, visit the Recreation Division office at 840 North Indian Hill Blvd., or call 624-4531, Ext. 46 for further information.

ALL PURPOSE — TOP QUALITY

It's your best buy. Handles all cutting jobs in home workshops with sure-fire speed and accuracy. Check and compare these professional-type features:

- Powerful Motor with Super Burnout Protection delivers over 1 h.p. to handle the toughest cuts.
- Vari-Torque Clutch — protects against kick-back, saw damage!
- Rugged Helical Gears — insure power to spare on tough jobs, longer life.
- Sawdust Ejection System — dust is directed away from operator down to floor.
- Extra Cutting Capacity—2" dressed lumber can be easily cut even at 45°.
- Accurate Adjustments — depth and bevel controls are easy-to-reach, quickly adjusted.
- Blind-free Lower Blade Guard — prevents jamming even on compound miter cuts.

May 1, 1969

LEGAL
CITY OF MONTCLAIR
NOTICE INVITING BIDS
FOR THE CONSTRUCTION OF
SELECT SYSTEM PROJECT
NO. 90 ROADWAY IMPROVEMENTS
IN CENTRAL AVENUE
BETWEEN PALO VERDE STREET AND THE
SAN BERNARDINO FREEWAY

RECEIPT OF PROPOSALS:
Sealed proposals will be received at the office of the City Clerk, City Hall, Montclair, California, until 10:00 o'clock A.M. on Monday, May 19, 1969, for the furnishing of all plant, labor, materials and equipment for the construction of Select System Project No. 90.

The words "Bid: Select System Project No. 90 To Be Opened 10:00 A.M., May 19, 1969" shall appear on the envelope of each sealed bid and each envelope shall be addressed to the City Clerk, City Hall, Montclair, California. The proposals will be publicly opened and read in the Council Chambers, 5111 Benito Street, Montclair, California, at 10:00 A.M. on the date above mentioned.

DESCRIPTION OF WORK:
The entire work is contained in a single bid schedule. The work consists of street improvements including A.C. pavement, curbs and gutters, sidewalks, and a storm drain system including catch basins, corrugated half circle culvert, and trenching for underground street lighting installations.

COMPLETION OF WORK:
All work shall be completed within sixty (60) calendar days after the date of the execution of the contract by the City.

OBTAINING CONTRACT DOCUMENTS: Plans and specifications and all contract documents may be obtained at the office of the City Engineer, City Hall, 5111 Benito Street, Montclair, California. A deposit of \$5.00 for each set of specifications with accompanying drawings will be required. This deposit will be refunded on the return of the contract documents in good condition within thirty (30) days after the proposals are opened. The specification is entitled "Specification for the Construction of Select System Project No. 90 Roadway Improvements in Central Avenue Between Palo Verde Street and the San Bernardino Freeway."

PROPOSAL GUARANTEE:
Each proposal must be accompanied by cash or by a cashier's check or by a bid bond in the amount of ten per cent (10%) of the amount of the bid price, made payable to the order of the City Clerk of the City of Montclair, as a guarantee that the bidder, if the award is made to him in accordance with the terms of his proposal, will promptly execute a contract in the required form, secure payment of workmen's compensation insurance, and furnish a satisfactory faithful performance bond and a labor and material bond. The faithful performance bond shall be in the sum of not less than one hundred per cent (100%) of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the prices stated in the proposal. The labor and material bond shall be in the sum of not less than fifty per cent (50%) of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the prices stated in the proposal. In addition to the above and if requested by the City, the bidder shall furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

WAGE RATES: Pursuant to applicable provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages including legal holidays, and overtime work for each craft or type of workman needed to execute the work contemplated under this agreement shall be paid to all workmen employed on the work to be done according to this contract by the Contractor, or any Subcontractor shall be deemed to include employer payments for health and welfare, pension, vacation, and similar purposes and shall be in addition to the prevailing hourly rate adopted by the Council of the City of Montclair.

OWNER'S RIGHTS RESERVED: The City Council of the City of Montclair reserves the right to reject any and all bids, to waive any informality in a bid and to make awards as the interest of the City may require. This notice is given by order of the Council of the City of Montclair, California.

CITY OF MONTCLAIR,
CALIFORNIA
By: BARBARA D. WILLIAMS
City Clerk
DATED: April 22, 1969
Montclair Tribune No. 1715
Publish May 1, 8, 1969

NOTICE INVITING BIDS:
For City of Upland Gas Tax Project No. 227, the installation of pedestrian crossing signals on Arrow Highway at Fifth Avenue.

NOTICE IS HEREBY GIVEN that sealed bids will be received in the office of the Purchasing Agent of the City of Upland, California, up to 3:00

LEGAL
P.M. on May 15, 1969, at which time they will be taken to the Council Chambers and publicly opened by the City Manager, for Gas Tax Project No. 227, the installation of pedestrian crossing signals on Arrow Highway at Fifth Avenue, in accordance with Construction Plans, Specifications, Standards, and other Contract Documents on file in the office of the City Engineer of said City, to which Plans, Specifications, Standards and Documents bidders are referred for further information.

Plans and Contract Documents may be obtained at the office of the Purchasing Agent, at the City Hall, 177 "D" Street, Upland, California, upon payment of One Dollar (\$1.00) for each set, which amount will not be refundable. Standard Specifications for Public Works Improvements books may be purchased at the office of the City Engineer at a charge of Four Dollars and Twenty-five Cents (4.25) for each book.

Each proposal must be accompanied by cash, certified check, cashier's check, or surety bid bond in the amount of not less than ten per cent (10%) of the estimated aggregate amount of the bid as a guarantee that the bidder, if successful, will promptly execute a contract in the required form and furnish a satisfactory faithful performance bond and material and labor bond. Each of said bonds shall be in the amount of one hundred per cent (100%) of the contract price.

Pursuant to the provisions of the Labor Code of the State of California, not less than the general prevailing rate of per diem wages and not less than the general prevailing rate of per diem wages for legal holidays and overtime work, for each craft or type of workman needed to execute the work contemplated under the Agreement, as ascertained by and set forth in Resolution No. 2073 adopted by the Upland City Council, shall be paid to all workmen employed on said work by the Contractor or by the subcontractors doing, or contracting to do, any part of said work.

Bids must be returned to the office of the Purchasing Agent enclosed within a sealed envelope with the words, "Bid - Gas Tax Project No. 227" plainly marked on the outside of the envelope. The right is reserved to reject any and all bids which the City Council may deem not to be to the best interest of the City and also the right to waive any informality in a bid, and the right to award the contractor the above described work within 30 days thereafter. Work of construction shall begin within 10 days after the signing of the contract and shall be completed within 90 calendar days after the date of the contract. Further information will be furnished and detailed plans and specifications of the proposed work may be inspected at the office of the City Engineer of the City of Upland. Proposal blanks and copies of the Plans and Specifications may also be obtained from the Purchasing Agent.

By order of the Council of the City of Upland, California,
I. C. Harold Terry
Purchasing Agent
City of Upland

Upland News No. 3463
Publish April 24, May 1, 1969

NOTICE INVITING BID
Notice is hereby given that the City of Upland will receive sealed bids for One (1) TEN TRACK AUDIO LOGGER. Bids will be received by the Purchasing Office, City Hall, City of Upland, up to the hour of 2:00 P.M., 13 May 1969, at which time said bids will be opened by the City Manager in the Council Chambers, Upland, California.

The City Council of the City of Upland reserves the right to reject any and all bids or accept the bid that best serves the interest of the City.

SIGNED:
I. C. HAROLD TERRY
Purchasing Agent

Mrs. Wilson Honored Guest

The Rembrandt Club's concluding program for the year will double feature its luncheon honoring Mrs. E. Wilson Lyon, wife of the retiring president of Pomona College, along with a lecture-demonstration on children's art presented by Michael Mahan of the Pasadena Art Museum Workshop.

Changing its usual meeting schedule for this event, the group will meet on the second Thursday, May 8, at 12 noon in Gibson dining hall on the Pomona College campus. Those planning to attend are advised to use the Oldenberg Center parking facility off Bonita Avenue.

May 8 will officially open the Rembrandt Club's "Summer Membership Contest".

Twice A Day Flights Ontario-Chicago Start In June

ONTARIO -- Travelers will soon be able to board a plane at Ontario and fly nonstop to Chicago.

Continental Airlines announced Tuesday it will operate two round trips daily starting June 2. These will be the first long-distance flights to originate on a schedule basis at Ontario International Airport.

Passengers will travel

in four-engine Boeing fan jets. Flight time will be about three hours and 13 minutes each way.

Travelers will have a choice of morning and afternoon flights. The schedule calls for Ontario departure at 8:45 a.m. (PDT) and Chicago arrival at 1:15 p.m. (CDT); and Ontario, 5:15 p.m. and Chicago, 10:30 p.m.

The return schedule is

Chicago departure 2:45 p.m. (CDT) and Ontario arrival 4:25 p.m. (PDT); Chicago 8:05 p.m. and Ontario, 10:30 p.m.

All flights will offer three classes of service; first, with gourmet meals club coach, a full meal; and economy, beverages only.

The Ontario to Chicago flights will be initiated through the "Hyphenated

service" approved last month by the Civil Aeronautics Board.

The CAB action authorizes those airlines with flights at Los Angeles International Airport to also schedule service at Ontario International Airport. Both airports are part of the Los Angeles Department of Airports.

Charles Bucks, Conti-

nal vice president in charge of sales and service, discussed the new flights at a luncheon held at Ontario Airport.

"We decided on the Ontario to Chicago route after a modest amount of research," he said. "We found that many persons now traveling from Los Angeles to Chicago would prefer to board at Ontario."

For those passengers boarding at Ontario and traveling farther east than Chicago, the flight schedule was made to fit connector flights, he said.

"We have been strong advocates of the neighborhood airport service, such as Ontario," said Bucks. "We think this is an area with the most fertile field."

Catalina Flight Outdoor Show Prize For O-P

ONTARIO - The Cable Flight Center of Cable Airport (13th and Benson) in Upland will be offering a grand prize of a free flight for four to Catalina Island including lunch, at the Ontario Plaza Annual Outdoor Living Show.

Tom Schultz, Administrative Director of Cable Flight Center said, "We will be offering other prizes such as full color

lithographic World War I air action pictures in addition to the grand prize of a flight for four to Catalina, including lunch". Schultz continued, "These valuable sets of authentic views of the famous World War I fighting aircraft suitable for framing are prized collectors items and anyone would be pleased to have them". Schultz said, "Flying is an activity for

the whole family and we want people to share this wonderful experience with us".

The Ontario Plaza Annual Outdoor Living Show will be held at the Ontario Plaza on May 22, 23, 24 and 25. Schultz has indicated that a state display of aircraft will be on hand for people to see modern private flying aircraft of today.

Ice Capades Discount Rates

Half-price discount rates for youths 16 and under will again be in effect for the Ice Capades' Los Angeles engagement. The 28-performance run will start April 30 and close on May 18, at the Sports Arena.

Regular ticket prices are \$2.50, \$3.50, \$4.50, and \$5.00.

The special youth discounts will be available at most performances--Monday through Thursday at 8 p.m. (except the premiere) and the Saturday 5 p.m. shows. The other shows will be on Fridays, 8:30 p.m.; Saturdays at 1 and 9 p.m., and two Sunday matinees, 1 and 5 p.m.

Camera Club Elects New Year Officers

ONTARIO - Officers of Euclid Avenue Camera Club for 1969-70, elected April 4, will be installed at the group's annual dinner meeting, to be held Saturday, May 17, in the American Legion Hall, 310 W. Emporia st.

William H. Gaffney of 657 West 1st, Ontario, is the new president, replacing Clarence Scott of 1924 West 9th St., Upland. Other new officers are Paul Dean of Upland, vice president; Mrs. W.A. Dean of Ontario, recording secretary; Howard A. Cramer of Upland, corresponding secretary; Robert Raeburn of Ontario, treasurer; Miss Evelyn Lowe of Chino, historian. Directors are William Wright of Ontario, Willis Fackler of Pomona, Dr. Paul Wise of Alta Loma, and Scott.

Gaffney has been a member of the Euclid club for five years and served as vice president and program chairman during the 1968-69 period. Like other members he is a 35mm color shooter, his camera being a single lens reflex. Landscapes and seascapes are his favorite subjects. Mrs. Gaffney is also a member but does not participate in photo competitions.

Features of the annual meeting besides the installation will include display of pictures entered in the yearly competitions, and presentation of medallions and ribbons.

PEP Squad Tryouts Ahead At Chaffey

ALTA LOMA -- Pep squad tryouts for the academic year ahead at Chaffey College will be held in the gymnasium from 10 a.m. until 12 noon, May 3-10-17.

Final qualifications for cheer leaders (men) and five song leaders (women) will be at the same hours May 24. Any students who will be enrolled at Chaffey next year may compete for a pep squad slot.

Conducting the tryouts will be current pep squad members Janet Maurer, Claremont; Bonnie Lou Pavsek, Alta Loma; Cynthia Fehlman, Ontario; and Cora Van Geloof, Corona.

Coordinating the program will be Mrs. Maxine Davis of the Chaffey faculty.

Area Bands In Review

Alta Loma and Upland high school bands will be among 99 musical groups who will be competing for awards in the 22nd Annual National City Maytime Band Review, Saturday, at 10:30 a.m.

Only the Alta Loma band will compete in the Class A3 band division with 10 other similar contingencies. Upland will be in the same situation -- only the band -- in the Class A1 division with ten other bands.

Rolling Boulder Kills CP Instructor, Sunday

Cal Poly electronics professor Howard K. Klebsch, 48, was killed Sunday morning in a hiking accident in San Antonio canyon.

Deputy County Coroner Bill Hill said the professor was struck in the chest with a "volley ball" size boulder that came plummeting down the mountain.

Hill said the victim died at approximately 9:30 a.m.

Investigators said the professor and a friend, Clifford Finley Jr. of Claremont, were going skiing and had arrived at the parking lot of the Sierra club at about 7 a.m.

They were near the 8,000-foot level and some 500 feet above the Sierra club cabins when the boulder came down on the trail from above.

Finley, who was 30 to 40 feet in front of Klebsch, told deputies he saw something fly by him and then heard a groan from his friend as the boulder

struck. He said the professor went down to his knees from the blow, then collapsed and slid some 50 feet down an incline before he could be reached.

Finley attempted mouth-to-mouth resuscitation and four or five other hikers stopped to render assistance, investigators said.

They moved Klebsch three-quarters of a mile down the trail to the parking lot of the Sierra club and a 14-year-old Hunting-

ton Beach youth, David Allen Hitchcock, was sent down the hill to Snow Crest where he telephoned deputies at 11:22 a.m.

Sheriff's deputy Don Donaldson arrived at the scene about 1:30 p.m. to find the victim had died.

The Sheriff's Search and Rescue Team was called into the mountain area, headed by Capt. Tom Mullins and Sgt. Oliver Gray, to bring out the body. Klebsch is survived by his

wife, Dorothy.

Funeral services for Mr. Klebsch were held at 10:30 Thursday morning at the Stone Funeral Chapel.

A native of South Dakota, he had lived in Upland for eight years.

Besides his widow, one daughter, Joyce Diane, Upland; his father, Ernest Charles Klebsch, Sheridan, Ore.; and one sister, Mrs. Karl Gast, also of Sheridan, survive.

European Musician To Solo With Symphony

Brigitte Buxtorf, flute virtuoso, from Geneva, Switzerland, will open her American tour appearing as soloist with the Claremont Civic Symphony Orchestra in an admission free concert to be held at Bridges Hall of Music, Claremont, on Sun., May 4, at 4 p.m. Miss Buxtorf will perform the Flute Concerto in G Major by Mozart.

During her studies, Brigitte Buxtorf obtained the highest awards from the Geneva School of Music and from the National School of Music in Paris. In 1962 she was offered the solo flute position in the "Orches-

tre de la Suisse Romande." After obtaining one of the highest awards at the International Contest in Geneva in 1966, she resigned from her position in the orchestra in order to devote herself entirely to her career as a soloist.

During the last few seasons, Miss Buxtorf has been a soloist with different orchestras in Switzerland, Belgium, Portugal, Italy and the Netherlands and has been invited to play with the "Orchestre Lamoureux" in Paris. She will, in the near future, be giving concerts in Brussels and Krefeld, Germany, following her

tour of the United States and will play at the Montreux Festival in Switzerland. Apart from her career as a soloist, Brigitte Buxtorf gives many chamber music concerts in a flute and harp duo which she originated.

George Denes, permanent conductor of the Claremont Symphony will feature his two assistant conductors,

The Concerto and the principal symphonic work of the program, Haydn's Symphony No. 104 (London Symphony No. 7) will be conducted by Mr. Denes.

Aeronautics Session May 1-2

deal with all scientific and engineering areas of aerospace technology and be divided into an undergraduate, a master's and an unlimited category.

Prizes totaling \$325 will be given to the persons with the winning undergraduate, master's and unlimited papers. In addition to these awards, \$100 will be given for the best oral presentation of an undergraduate paper. A traveling trophy will be presented to the school whose student wins first place in this contest.
